O. H. S. Notes.

On Thursday evening, April 22, the Seniors entertained the Juniors and the faculty with a mysterious party. All met at the home of Marie Hodgkin, but at 8 o'clock they were asked to follow the Seniors on a mysterious journey and finally arrived at the Martin theatre. The theatre was tastefully decorated in green and white, the Junior colors. The show, "Wild Honey," was very enjoyable. From there they were led to Henninger's. Here also the Junior colors were in prominence. In the center of each table was a small green basket, from which green and white ribbons led to each place. The Juniors were then told to jerk the ribbons at their places, and mysterious vehicles for mysterious journeys were jerked forth, which proved to be toy balloons. The Seniors called on Mr. Ford for a speech, and he in turn passed the privilege on to others.

All were very sorry Mrs. Ford could not attend, as her presence at all other school affairs has been enjoyed very much.

Friday evening, April 23, Miss Alice Babb, Mr. Bennett Martin and Mr. Ralph Milne represented the Oregon high school in the preliminary contests held at Marysville. Those who won first hon'rs in this contest may enter the final contests April 30. Eight schools were represented. The Oregon contestants did not succeed in winning a first prize, but Alice Babb and Bennett Martin won second places in the declamatory and oratorical contests, respectively. While Ralph Milne did not win any honors in the extemporaneous speaking contest, his talk brought out several good points, and was well delivered. The school has just cause to be proud of her representatives. The Oregon high school expects to try again next year, and the prospects are very encouraging.

At the request of the Senior class, Dr. M. H. Wisson has consented to deliver the Baccalaureate sermon, on Sunday morning, May 9. We are very fortunate in securing such a man.

Friday afternoon, April 23, the English classes gave the following program in the auditorium:

- Song, "When All the World is Young," School.
Song, "There's a Great and Happy Country," School.
Farewell speech, Torrance Callen.
Solo, "The Soldier's Farewell," Marie Hodgkin.
Reading, Loa Fryman.
Oration, "School Teachers," Edwin Bunker.
Speeches by Paul Bragg and George King, of the class of 1919.
Sextette from "Lucia," Orpha Stewart.
Song, "The Blue and Gold," School. X. X.

Some Dog

Charles Petree was mightily pleased the other day when he received by express from Albuquerque, New Mexico, a splendid Airedale dog. His brother, Leo, who is working as an oil geologist in New Mexico, sent it to Charley to care for until he could take the dog himself. Leo says the dog is a registered Airedale, and his name is "Paso," pronounced "Payso." The dog may be Spanish, as his name indicates, but he evidently speaks and understands English, for Charley and he understand each other perfectly.

Personal and Otherwise

Prof. Carl Bose, superintendent of the grades of our schools, was off duty Tuesday of this week, April 27, because his wife demanded his attention at home to become acquainted with that little, sweet baby daughter, she presented him with Monday evening, April 26, 1920. It is their first born, and Dr. Thatcher, says Mr. Bose is behaving as well as could be expected, and Grandma Stewart is simply delighted.

Forest City School Notes. The Senior class attended the funeral of Dr. Markland at Oregon, April 21st. Mrs. B. V. Evers, daughter of Dr. Markland, taught English and History in the high school last year. The students of the high school extend their heartfelt sympathy to Mrs. Evers.

The Assembly was unusually attractive last week. Mr. Arch Carter, of Maryville, who has been directing the singing during the meeting at the Baptist church, sang a number of songs for us and also directed the Assembly music. Rev. Stratton and Rev. Reed were visitors. Rev. Reed conducted the devotional exercises.

Miss Agnes Baker was absent all of last week, owing to the illness of her father.

F. C. H. S. participated in a joint track meet held at Craig, last Friday. Craig, Mound City, Oregon and Forest City competed. Craig finished first, Mound City second and Forest City third. Shumate, Alkire, Raiser, Staup and Bullock entered. Shumate, Fawks and Raiser each scored for Forest City.

Rehearsals are now in full swing for the Senior class play, "Between The Acts," to be given next Friday night, May 7th, in the City Hall. Every member of the cast is working hard, under the direction of Miss Sobbing, to make the play one of the best. Proceeds of the play will be applied to the Keystone Visual Education Equipment. Help us complete payments upon it before the close of school. Amount yet due about \$150.00. Seats for the play will be reserved. Reservations may be made at Gifford's Restaurant, beginning Tuesday, May 4th. We are looking for the largest attendance that Forest City has ever had. Plan to be there.

At a special meeting of the Board of Education, Monday evening, letters were read to the Board from Superintendent Breit and Miss Sobing, stating that they would not accept the positions tendered them. A number of applications were considered for the superintendency, but no selection has been made.

Mr. Leedham, representative of Ginn & Company, visited the high school teachers Monday afternoon and evening. Mr. Leedham also explained to the Board of Education that the teacher shortage is very real, that teachers must be paid a good salary, elected early and impressed with the sacredness of a contract in order that the schools may have good teachers at the opening of school next September.

It is probable that a "High School Work Day" will be staged for the benefit of the school some time next week. It has not been possible to make any definite plans heretofore, owing to the "wet season," which we hope is about over. It will not be possible to postpone the work day longer owing to the nearness of the close of school. If you are willing to cooperate with the students in this matter by giving them a job and a good salary, call the school house or see some member of the student committee. Anything you do will be appreciated.

In order that you may keep the activities of Commencement Week in mind: Seat sale for play opens Tuesday, May 4. Class Play, "Between The Acts," Friday, May 7.
