IMPROVED UNIFORM INTERNATIONAL

Sunday School Lesson

(By Rev. P. F. FITZWATER, M. D., Teacher of English Bible in the Moody Bible Institute of Chicago.)
(© 1921, Western Newspaper Union.)

LESSON FOR JUNE 19.

MAKING THE SOCIAL ORDER CHRISTIAN.

LESSON TEXT—Luke 4:16-21; Matt. 9:34-35.

GOLDEN TEXT—Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.—Matt. 25:40.

REFERENCE MATERIAL—Acts 2:27-28, 34-35.

PRIMARY TOPIC—Pleasing Jesus by Helping Others.
JUNIOR TOPIC—The Example Jesus Gave Us.
INTERMEDIATE AND SENIOR TOPIC—Making All of Life Christian.
YOUNG PEOPLE AND ADULT TOPIC—Christianity Transforming the Social Order.

Again we say not "Making the Social Order Christian," if the committee please. At least these texts selected by the committee do not so touch, for they have no bearing upon the question. Why two texts so widely separated in meaning should be selected to go together under the subject named is incomprehensible. The teacher should therefore ignore the subject chosen and endeavor to bring out the meaning of the texts.

1. Jesus in the Synagogue at Nazareth (Luke 4:16-21).

1. His custom was to go to the house of God (v. 16). He now had come back to the town of his boyhood days and entered the place of worship as was His custom.

2. Jesus reading from the Scriptures (vv. 18-19). He opened the book at the sixty-first chapter of Isaiah and read the Scripture passage which set forth His entire mission.

(1) Character of His mission (vv. 18, 19). (a) Preach the gospel to the poor. God has peculiar regard for the poor, and the glory of the gospel is that it comes to the help of the very ones most in need. It puts a ladder at the feet of a man and enables him to climb as high as his ability will permit him. (b) Heal the broken-hearted. How many are the broken-hearted! (c) Preach deliverance to the captives. Those who are in captivity to sin and Satan, Christ can and will deliver (John 8:34-36). (d) Recovering of sight to the blind. Christ not only can open the physical eyes but the eyes of the spirit as well. (e) Set at liberty them that are bruised. Satan has been most mercilessly bruising men, but the Mighty One has come who can set them free. (f) Preach the acceptable year of the Lord. This was the Year of Jubilee which looked forward to the glorious millennium (Lev. 25:13, 50-54).

(2) His endorsement (v. 18). The Holy Spirit came upon Christ for the express purpose of fitting Him for His divine mission. Because of this endorsement He cannot fall in His glorious work.

(3) His testimony (vv. 20, 21). Having completed the reading, He declared that the Scripture had fulfillment then and there in himself. This was a critical hour for the people. May it be just as critical for the members of every class where this lesson is studied! May there not be rejection like that which followed His testimony at Nazareth!

11. The Judgment of the Nations (Matt. 25:34-40).

The biblical unit here is verses 31-40. One cannot intelligently teach the verses selected without their setting; so it would be better to take a survey of the whole.

This judgment should be carefully distinguished from what is popularly called "General Judgment." The Bible speaks of different judgments, differing in respect to the subjects, the place, the time, and the results of the judgment. Note the following particulars:

1. The Judge (v. 31). The Son of Man in glory.

2. The time (v. 31). It is when the Lord shall come in His glory accompanied by His glorious retinue of angels.

3. The place (v. 31). It will be on the throne of His glory. This throne will be most surely in the land of Israel. The prophecy of Joel, third chapter, and Zechariah 14:1-5 make it to be in or near Jerusalem.

4. The people judged (vv. 32-45). These people will be the living nations upon the earth after the church has been translated (1 Thess. 4: 16, 17). These nations are the ones to whom the gospel of the kingdom shall be preached just prior to the coming of the Lord (see Matt. 24:14). The preachers of this gospel will be Jews (Rev. 7; Rom. 11).

5. The issue of the judgment (v. 46; cf. 34-41). The sheep enter upon the inheritance of a prepared kingdom (v. 34). The goats go into an everlasting fire prepared for the devil and his angels. Their destiny is fixed (v. 46).

Hope and Pray.

Let us hope and pray that those who teach and those who worship in the temples of God may never be out of touch with the saints above or the sinners below. When we get out of touch with humanity, we are never in very close touch with Divinity.—Uncle Henry's Sayings.

On Giving.

He that hath two coats, let him impart to him that hath none; and he that hath meat, let him do likewise.—Luke 3:11.

GET RICH QUICK

Most of us would like to make money fast and soon be able to retire or be on easy street, as the common expression goes, but when some stranger or some professional trader who has some get-rich-quick scheme that he puts up to you, telling you how well you can do by investing with him, just stop and consider for a few minutes; do you think that party is out looking after your welfare, or is he trying to catch you and help himself, and if the plan looks very good just put him off until you have time to consult your banker or investigate the plan more thoroughly, and about nine times out of ten you will be much better off and will have saved the money the sharper was trying to get from you.

Any legitimate deal will bear investigation, so do not be in a hurry to sign up papers for strangers or speculators. We are willing to help any one in a deal of this kind at any time.
