There is a reason why the larger per cent of Cabinet Stationary used in Kansas City is turned from the Arthur W. Harris Printing Establishment. First their workmanship in this class of service is unexcelled by any of the larger and best equipped printing establishments in this city; since they all but make a specialty of this class of work. Second, while their prices are not always the lowest, they are always the fairest. They have "delivered" with accuracy and dispatch over 90 per cent of the classed weddings and receptions during the past year and now when a function of class is announced its ten-to-one shot that Harris will handle the job.

All aboard to Leavenworth on the Odd Fellows' second Annual Trolley Party, Thursday, June 18. Come and go with us, and enjoy one of the best outings of the season. Good music and entertainments at Coliseum Rink. Round trip, 50 cents. Thursday, June 18.

SUMMER MUSIC SCHOOL.

R. G. Jackson and Miss Beulah Douglas are going to conduct a summer school of music at Allen Chapel, 10th and Charlotte, Kansas City, Mo.

All persons who may desire to take lessons will find it to their advantage to speak to Mr. Jackson early, for a number of periods have already been given away to city, and out of town persons.

The advantage in enrolling early is, that you may have a choice of periods and avoid coming for lessons in the heat of the day.

The studios at Allen Chapel are nicely located, well appointed and are equipped with pianos that are kept in fine condition.

Special attention is given to children between the ages of seven and twelve years.

The pipe organ of the church is at the service of pupils for practice, who are doing organ work.

On account of the large enrollment in piano, organ and voice, only a limited number can be admitted into harmony classes, so it is advisable for persons wanting to do work along this line to enroll now.

Mr. Jackson invites interested parties to call at Allen Chapel on Saturdays, between 8 a. m. and 8 p. m. to talk over music for the summer, or address him at 531 Nebraska Ave., Kansas City, Kansas, Bell phone West 1032 and West 1102-W.

WORDS OF APPRECIATION.

More Mothers Testify to Merits of XXth Century Hair Preparations.

Nelson, Mo., April 13, 1913.
Dear Madam Dabney: I am writing you for a small order. I want you to please send by mail 3 bottles of shampoo, 3 boxes of hair grower and 2 boxes of pressing oil. I like the remedy just fine; I would not be without it for anything. I am using it on my little girl's hair; it seems to be helping it greatly.

MRS. ANNA BRUNER,
Kansas City, Mo., Jan. 20, 1913.
Dear Madam Dabney: I am a mother of four girls. In trying to improve their hair I had tried several preparations, but none gave me good results until I used Madam Dabney's XXth Century Preparations. Their hair was thin, harsh and would fall out so that I dreaded to use a comb. Now their hair is growing nicely—does not fall out—has no dandruff—is soft and pretty. Three of these girls are attending Wendell Phillips School, Howard and Vine streets. Investigation will bear out my testimony. I would not be without the XXth Century Preparation in my house.

MRS. DORA HAWKINS,
2455 Woodland Ave.
A six week's treatment of Madam P. M. Dabney's XXth Century Hair Preparations sent on receipt of P. O. money order of \$1.25, or a single package of XXth Century Hair Grower, Pressing Oil or Shampoo sent for 50c. Write today to Madam P. M. Dabney's XXth Century Hair Preparations Co., 1505 E. 24th St., Kansas City, Mo., Dept. 40.

Golden Steam Dye Works

1605 EAST 18TH STREET

When sending your clothing to be cleaned and pressed have you ever realized, and every clean minded man would shudder with disgust at the thought, that the cloth use to press your suit had just previously been used to press the suit of a man suffering from Disease, Filly Habits, etc.—the cloth in the interim being wet and wrung out in a pail of probably dirtier water, especially so toward the end of the day's work?

OLD WAY OF PRESSING

To overcome unsanitary methods we have installed an up-to-date Sanitary Steam Press. A garment that passes through this machine is disinfected, so no germs or microbes can exist under a temperature as high as the dry steam we inject. At the same time it removes any odor, takes away the grimy appearance, raises the nap, revives the colors and imparts to the garment that freshness desired by all dressers.

NEW WAY OF PRESSING

We are Hatters, Tailors and Cleaners. No delay in getting your work. We do everything in our own shop. When you send us your work we do not have to disappoint or delay you, as our equipment is equal to anyone's. We specialize on quality and carefulness, for if it pleases you it pleases us.

We have one of the best Dyeing and Tailor Shops in the city. Everything new and up-to-date. We are prepared to clean any garment, no matter how richly trimmed or flocked, without injury. We employ only expert workmen and guarantee to satisfy every customer. Soliciting an opportunity to serve you, we are yours,

Prof. Hobbs employs only the BEST workmen, T. D. Henderson, Henry Hobbs, David Robinson, W. T. Scott, and H. A. Peace, while he himself is a barber of acknowledged ability.
