## THE STEADY SUBSCRIBER.

How dear to our heart is the steady subscriber  
Who pays in advance at this time of each year,  
Who lays down the money and does it quite gladly,  
And casts round the office a halo of cheer.

He never says—"Stop it, I cannot afford it."  
I'm getting more papers now than I can read;  
But always says—"Send it, our people all like it—"  
In fact we all think it a help and a need."

How welcome this when it reaches our sanctum,  
How it makes our pulse throb, how it makes our heart dance;  
De outwardly thank him; we inwardly bless him—  
The steady subscriber who pays in advance.

## NATIONAL NEGRO BUSINESS LEAGUE.

The Fifteenth Annual Meeting of the National Negro Business League will be held at Muskogee, Oklahoma, Wednesday, Thursday and Friday, August 19, 20 and 21, 1914. The Oklahoma State Negro Business League in co-operation with the Muskogee Local Negro Business League has arranged a most comprehensive program for the reception and entertainment of the delegates who may be present. Aside from the regular and most interesting sessions of the League itself, arrangements have been made for an industrial parade on Thursday afternoon, August 20th, which shall embrace a large number of floats upon which will be represented the progress and industrial achievement of the Negroes of Oklahoma. Thirty (30) full-blooded Seminole Indians in native and picturesque costumes are planning an entertainment at the Fair Grounds, following the Industrial Parade on Thursday.

On Friday afternoon, August 21st, the delegates will be given a view of the city. A live stock and agricultural exhibit, showing the great possibilities of the southwest section, will be open for the inspection of the delegates; also, on Friday evening, a Grand Banquet will be given in honor of the delegates.

On Saturday, August 22, a special train will leave Muskogee for Boley, Oklahoma, the largest and most prosperous Negro city in the United States. The train will pass through some of the richest agricultural land in the world, much of which is owned by Oklahoma colored citizens.

For the annual meeting of the League, the Southwestern Passenger Association has announced through its chairman an intention to authorize an open rate of four cents a mile for the round-trip from all points in the territory of the Southwestern Passenger Association except Oklahoma, selling tickets August 16th to 18th, inclusive with final return limit to reach original starting point August 31.

The Western Passenger Association through its chairman also announces an intention to authorize an open rate of two cents a mile in each direction from points in Missouri and Kansas to Muskogee and return, tickets to be sold on August 16th to August 18th, inclusive, with final return limit to reach original starting point prior to midnight of August 31, 1914.

Application has also been made to the Southeastern Passenger Association embracing the states south of the Ohio and Potomac rivers, and east of the Mississippi river, for reduced rates, and these will most likely be granted on the basis of four cents a mile for the round trip. The Baltimore and Ohio Railroad with headquarters in New York City is planning to provide for the transportation of delegates from the eastern territory—New York City, Philadelphia, Wilmington, Baltimore and Washington, and for all eastern delegates who plan to be present at the meeting. A special Pullman Car will be provided if enough delegates signify their intention of making the trip. Delegates will most likely be present at the coming meeting in larger numbers than ever before from the Southern and Southwestern States. It is expected also that the east will not be neglectful of its duty, considering the fact that the Southern States have always been so largely represented at all of the meetings which have been held in the North and East. The annual session of the affiliated organizations of the League will be held at the same time—The National Negro Bankers' Association, The National Negro Press Association, The National Negro Funeral Directors' Association and the National Negro Bar Association, a group of the strongest organizations in the country among Negro people. Further information as to details, plans for the coming meeting, etc., may be secured from: Emmett J. Scott, Secretary, Tuskegee Institute, Alabama.

**EUREKA REG. PAT. D AUG. 8, 1911**  
Particular attention may be given to the following subject, since there are hundreds of thousands using the Eureka Comb throughout the United States and Isles. They give the best of satisfaction as to our recommend, straightening the hair beautifully with one stroke, and as assistance in causing a rapid growth. Evidences coming to us from every source, of which is pleasing, that the Eureka Comb performs precisely as advertised.  
No better comb on the market for purposes as we have been advised that other combs are toys, when it comes to benefits and effectual influences when used as to directions, for which every comb placed goes with it instructions, how to use and for what purposes. Wherever introduced the Eureka preferable. Merchants and agents are successful when they are placed conveniently in quantities for the public.  
They are usually sold for \$1.50 (one dollar and fifty cents) each complete. The only thing is to be careful in the purchase as there is no other comb that will answer the purposes so well as the Eureka. We wholesale the Eureka Comb, being the manufacturers and promoters, and are the only wholesalers of this special device; if there are others we would be pleased to be informed.  
The devices are patented and registered. For prices and further information write
