

Kansas City's Leading Negro Tailor

Drafts Pointed Letter to Those Desiring First Class Workmanship

ONLY EXPERTS EMPLOYED

This Institution Should Receive the Support It Richly Deserves.

To those who wear clothes—

I desire to announce that we now have on display at our establishment, 1605 East 18th street, as fine a line of Suit Samples as have ever been shown in the city. Every sample shown is either from the famous Detmer or Taylor Mills, which is guarantee superior in fabric.

I have lately secured the service of Kansas City's expert cutter whose cutting and fitting ability is unsurpassed in this section. He cut for years for the most exclusive tailoring shop in Kansas City, where the cheapest suits were made at a cost not less than \$50.

It has been no small effort to secure such exclusive patterns and a cutter like the one above mentioned, all of which is an advantage to you.

The thought has often occurred to me since moving to Kansas City, that the Negro rightfully boasts of his fine schools, able teachers, drug stores, physicians, dentists, and in fact successful men in every phase of life's endeavor; but where do they buy their clothes? I have wondered what each individual thinks of his own efficiency. If he were in business would he want the support of his fellow men?

This establishment is not disposed to "knock or run down" any of like nature in Kansas City. Our policy is "All men up." It is a lamentable fact, however, that a press table and iron, with positively no knowledge of tailoring, has been quite sufficient for some entering this much abused field of labor.

The Golden Steam Dye Works in its every appointment proves to the contrary. Every workman employed is an expert in his line. You take no chances here, we guarantee every job from the insertion of the smallest patch to the cleaning and making of the most expensive garments. Here you get the largest values for the money we ask you to pay. We are asking that you stop in. Ring our phone; yes, give us a trial that we may demonstrate our superiority in this line.

Respectfully,
G. V. GOLDEN, Prop.

THE STEADY SUBSCRIBER.

How dear to our heart is the steady subscriber
Who pays in advance at this time
of each year,
Who lays down the money and does it
quite gladly,
And casts 'round the office a halo of
cheer.

He never says—"Stop it, I cannot afford it,
I'm getting more papers now than
I can read."
But always says—"Send it, our people
all like it—"
In fact we all think it a help and a
need."

How welcome this when it reaches
our sanctum,
How it makes our pulse throb, how
it makes our heart dance;
De outwardly thank him; we inwardly
bless him—
