EUREKA COMB COMPANY,
Chattanooga, Tenn.

Particular attention may be given to the following subject, since there are hundreds of thousands using the Eureka Comb throughout the United States and Isles. They give the best of satisfaction as to our recommend, straightening the hair beautifully with one stroke, and as assistance in causing a rapid growth. Evidences coming to us from every source, of which is pleasing, that the Eureka Comb performs precisely as advertised.

No better comb on the market for purposes as we have been advised that other combs are toys, when it comes to benefits and effectual influences when used as to directions, for which every comb placed goes with it instructions, how to use and for what purposes. Wherever introduced the Eureka preferable. Merchants and agents are successful when they are placed conveniently in quantities for the public.

They are usually sold for \$1.50 (one dollar and fifty cents) each complete. The only thing is to be careful in the purchase as there is no other comb that will answer the purposes so well as the Eureka. We wholesale the Eureka Comb, being the manufacturers and promoters, and are the only wholesalers of this special device; if there are others we would be pleased to be informed.

The devices are patented and registered. For prices and further information write

PHOENIX, ARIZ.
The colored people of Phoenix showed their appreciation of Mr. Fred Gardner's new enterprise by turning out en masse to witness the opening of this handsome hotel and amusement resort. We are pleased to note the building activity that is going on among our people here. Mr. J. O. Green's twelve-room apartment house is nearing completion. Mr. Wm. Face is contemplating the erection of a handsome brick residence on his property in the very near future. Mr. Jas. Rosser has returned to Memphis, Tenn., to re-enter Meharry Medical College. Mr. Rosser hopes to be the first Negro doctor to establish in Phoenix. The chicken pie dinner given by the C. M. E. Church last week was a splendid success. Mesdames Credille and Henderson deserve much praise for the excellent manner in which they conducted this dinner. Mrs. M. Mosely was in the city a few days last week. While here she was the guest of Mrs. J. B. Bell. Mrs. Martin Brown of Sedalia, Mo., has purchased a nice little home on East Jefferson street. This section is becoming very popular as a home site for Negroes. We would advise that more Negroes follow Mrs. Brown's move and buy property on Jefferson street. If you don't like Jefferson street, buy elsewhere, but by all means buy a home. Phoenix is the fastest growing town in the West and the Negro population is the most thrifty and enterprising to be found anywhere. We own more property in proportion to our population than the whites. While we do not want to boast of our attainments, an impartial investigation by a disinterested person will disclose the fact that we have a boast coming. Read the Kansas City Sun and get the real news. A. R. Smith, is the agent and he will supply you with a copy. 1026 Jefferson street is the agent's number.

WORDS OF APPRECIATION.
More Mothers Testify to Merits of XXth Century Hair Preparations.

Nelson, Mo., April 13, 1913.
Dear Madam Dabney: I am writing you for a small order. I want you to please send by mail 3 bottles of shampoo, 3 boxes of hair grower and 2 boxes of pressing oil. I like the remedy just fine; I would not be without it for anything. I am using it on my little girl's hair; it seems to be helping it greatly.

MRS. ANNA BRUNER.
Kansas City, Mo., Jan. 20, 1913.
Dear Madam Dabney: I am a mother of four girls. In trying to improve their hair I had tried several preparations, but none gave me good results until I used Madam Dabney's XXth Century Preparations. Their hair was thin, harsh and would fall out so that I dreaded to use a comb. Now their hair is growing nicely—does not fall out—has no dandruff—is soft and pretty. Three of these girls are attending Wendell Phillips School, Howard and Vine streets. Investigation will bear out my testimony. I would not be without the XXth Century Preparation in my house.

MRS. DORA HAWKINS,
2455 Woodland Ave.

A six week's treatment of Madam P. M. Dabney's XXth Century Hair Preparations sent on receipt of P. O. money order of \$1.25, or a single package of XXth Century Hair Grower, Pressing Oil or Shampoo sent for 50c. Write today to Madam P. M. Dabney's XXth Century Hair Preparations Co., 1806 E. 24th St., Kansas City, Mo., Dept. 40.
