LEXINGTON, MO.
 Hon. A. W. Lloyd, Grand Chancellor of the K. of P., is making his official tour through the state. He arrived in this city on Thursday, March 25, he was the guest of Dr. and Mrs. J. D. Ball. Much of his time was spent in visiting lodges of the Knights of Pythias. A reception was given him by the men of Lexington at the Masonic Hall Saturday night. Speeches were made by Rev. O. A. Johnson, Dr. J. D. Ball and A. W. Lloyd. On Friday afternoon Hon. A. W. Lloyd was a visitor of Douglass School and delivered an excellent address which was full of wholesome advice to pupils of the High School. His visit was highly appreciated by the principal and faculty. The Thirtieth anniversary of the Knights of Pythias was held at the Second Baptist Church Sunday, March 28. A. W. Lloyd acted as Master of Ceremonies; Dr. J. D. Ball, Chancellor; Commander of the day. The church was well filled by members of the K. of P. and their many friends. The sermon was preached by Rev. R. W. Williams who in spite of his weak condition gave a splendid discourse. This was followed by an able address by Hon. A. W. Lloyd in which he urged in his usually eloquent manner the members to live up to their standard of knightlyhood. The Heroines of Jericho conducted their annual services at the Masonic Hall Sunday afternoon, March 29, 1915. The Citizens Forum which was organized three weeks ago was held at the Zion A. M. E. church last Sunday afternoon. An excellent program was rendered. The next meeting will be held at the Second Baptist Church. At the St. John M. E. Church on Wednesday night addresses were made on Hygiene by Dr. A. H. Hudson, Dr. J. D. Ball and Prof. George H. Green. A Clean-up Campaign is being propagated under the auspices of the Happy Hour Club. Miss Moore of Pittsburg, Ill. is the guest of Mrs. Bertha McCorkle. Mr. Wm. Galbreath of Lincoln, Neb. spent last week end here the guest of his mother, Mrs. Florence Galbreath.  MRS. LUCY STONE, Lawrence, Kan.
 MRS. KATIE REYNOLDS, Spearfish Lake, S. D.
 MRS. ELIZABETH BROWN, Lawrence, Kan.
 JAMES H. WILSON, Omaha, Neb.
 CHAS. F. WILSON, Kansas City, Mo.

OBITUARY.
 Mrs. Martha Wilson was born in Dresden, Tenn. in the dark year of 1820 or 1822, where she lived with her parents until about the age of 14. She was then taken to Fayetteville, Ark. where she met her husband, James McKizie, with whom she lived until about 1861 when he was sold to a Southern master and died two years later. Martha, his wife, was left with eight small children to support after doing her task for her task master, Mr. Wilson. She left Fayetteville in 1863 with her children for Springfield, Mo., remaining there two years, after which she moved to Lawrence, Kas., in 1865, where she remained until death.
 It is useless to relate what courage and energy was required to rear eight children and provide for herself. Nevertheless she lost sight of the world and made every required sacrifice until she had seen the last reach the age of maturity.
 God in his divine providence has blessed her for she has seen her children and children's children. She was faithful in all her doings and loved by all who knew her.
 She professed a hope in Christ about 25 years ago, but for several reasons she did not unite with any church. However, the Methodist church was her choice. Mrs. Wilson was about 93 years of age and was able to provide for herself until about 14 months ago, when she was confined to her bed, to receive an infant's care. Yet during this long illness she was faithful and often said: "Of course I prefer death to this suffering, but God knows best."
 She leaves five children—Mrs. Lucy Stone, Mrs. Kate Reynolds, Mrs. Elizabeth Brown, James Wilson and Chas. Wilson, and a host of grand and great-grandchildren and friends to mourn her loss. She died March 27 at 2:15 p. m. Let us say for the depths of our hearts as a way of condolence. It is God who giveth and God who taketh; blessed be his holy name.

CLOVER LEAF CASUALTY COMPANY OPENS OFFICE IN KANSAS CITY.
 J. J. Allen, District Manager.
 Mr. J. J. Allen, who has been engaged in the insurance business for four years for the Clover Leaf Casualty Co., has made a great record in his business in St. Louis. He has held the position there as District Manager for the past four years, and by his honest dealings with his people, he has been able to build up a business to insure a great majority of the business and professional as well as the laboring class of people in that city. The Clover Leaf Casualty Co. has recently completed arrangements to open an office in Kansas City, and have chosen Mr. Allen in preference to many other aspirants for the office of Manager. He comes to Kansas City highly recommended by the business and professional men of St. Louis, and feels that he will be able to establish a great insurance business here, as his company is offering policies that cannot be excelled by any other old-line Casualty Co. The Clover Leaf is incorporated under the state laws of Illinois with \$125,000 deposited with the state for the protection of each policyholder. He is in position to give employment to several of our young men and women as insurance agents, and would be glad to have any one with selling ability to call at his office for an interview with him. He states that he does not care whether or not you have had previous experience in insurance business, that many persons in the insurance business today came to him unexperienced and they are now making from \$100 to \$150 per month. He is located in offices with Dr. J. E. Dibble at 19th and Vine streets, Phone East 887.

She plays brilliantly with feeling and with an individuality that adds interest and charm to the compositions. The Value of Life Insurance to Colored People.
 Is a text from which a little sermon could well be preached in every colored church in America.
 The man who carried \$50 to \$200 in a weekly benefit society or a secret society on the assessment plan earned enough and could easily have paid the premium on \$1,000 to \$5,000 in an old line legal reserve life insurance company whose rates are fixed and subject to no assessment, if he only had known.
 He could have made impossible the long hours of bending over a needle or the cook stove or the wash tub that came to his widow, if he had carried the necessary amount of life insurance. He could have assured his beautiful daughter the education she desired, the amusements she wanted, the clothes she craved—and which she got, somehow. He could have kept his boy in school and he would have grown up a credit to the memory of his father, a respected citizen of his community, and a successor to his father's business, instead of the wanderer or mental or ne'er-do-well. He could have changed the destiny of every member of his family! He had it in his power to make them bless his memory or bewail his shortsightedness! What a tremendous responsibility!

You can secure to those you love future independence, you can protect your obligations, you can save your business, if, while you are alive, sound and well—and that is NOW—you secure the necessary amount of life insurance.
 You can secure this life insurance in a strong, well managed life insurance company which has met every requirement demanded of it, owned, organized and operated by our people, the only one of its kind in the world, at rates within your reach if you act today. No matter where you live we can protect you. Tear off this coupon and mail it today to
