**ON THE JOB.**

Perhaps the best answer to those who have questioned the stability of the Rumely business is the mammoth shipment of Rumely machinery which will pass through here Thursday, May 20th, via Chicago and Alton R. R., about 2:00 p. m. to'clock on its way to Oklahoma and Texas.

It clearly shows the healthy condition of the Rumely Company and proves the faith that the American farmer has in the reliability of its time-tried lines, Rumely, Advance and Case-Scott. Further, it is very tangible evidence of the splendid prospects for a bumper crop.

This special trainload of over fifty cars was assembled at Chicago—the factories of the Rumely Company at La Porte, Battle Creek, Richmond and Stillwater, contributing. The average value of each car is over \$2,000.00, so \$100,000.00 is a conservative estimate of the value of this single shipment.

Most important of all, however, is the fact that it is an all-sold shipment. Every machine in the trainload is already sold and on its way to the buyer—a sign on each car gives the name and address of the purchaser of each machine.

A daylight run will be made in order to give farmers and others an opportunity to see the "Special" when it stops at each station. Interesting literature and souvenirs will be distributed.

This train will be well worth seeing and a social invitation is extended by the representatives of the Rumely Company for everyone to be at the station to see the biggest thing in machinery shipments that ever passed through town.

This special trainload, by the way, is but one of three such trainloads leaving the Rumely factories this month—100 more carloads of all-sold Rumely Power Farming Machinery are being made up in Chicago for the Kansas City and Wichita territories. Another will follow early in June for the northwest.

All of which makes it look as though the Rumely Company was very much on the job.

**LINCOLN ALUMNI NIGHT SUCCESSFUL.**

St. Paul and St. Louis were most highly entertained on Thursday night, April 25, by President B. F. Allen, with some members of the faculty, and a large number of students of Lincoln Institute. St. Paul was filled to overflowing with one of St. Louis' most intelligent and appreciative audiences. The occasion of their coming was under the auspices of the local Alumni Association of Lincoln, of which Mr. C. S. Hunter is at the head. After prayer by Dr. W. Sampson Brooks, Mr. Hunter presented Prof. F. L. Williams, who in most felicitous terms, introduced President Allen. President Allen spoke of the work that Lincoln Institute is doing in its many and varied departments. The program rendered was one of especial merit, and made a most wholesome and lasting impression on those present.

To speak of any number on the program that was deserving of special mention, would be to speak of each number that was well rendered. Those of the most artistic skill were the violin solo by the instructor in violin music, and the solos by the instructor in voice culture.

The Glee Club takes its place among the best work of that kind, produced by the colleges of the country. The large and well trained orchestra is one of the best that it has ever been our pleasure to listen to.

Dr. B. F. Allen, the president, is a man of splendid ability and of dignified bearing and would hold a place of command in any assembly. He is a great man and is doing a real work for Lincoln, for Missouri, and for the race.—Argus.

Within the past few years we have suffered a number of losses by death from among our highly respected pioneer citizens of influence. Mr. Henry Alex, who died at his home last Tuesday night after a lingering illness, belonged to that group. The funeral services were held at the Mt. Zion Baptist church Thursday afternoon. Brief remarks were made by Rev. Talley. Messrs. John and Jessie Alex of Chicago, Ill., Mrs. Jane Rhinehart of Ottumwa, Ia.; Mrs. Bruce of Marcelline, Mo., and Mr. Cooper of Brunswick, Mo., were the out of town relatives who attended the funeral. The deceased is survived by a wife, daughter, sons and other relatives, and to them we extend sympathy.... The annual thanksgiving service of the Odd Fellows and Household of Ruth was held at the A. M. E. church Sunday afternoon. Responsive readings and a paper by Mrs. Grace Trooper preceded the annual sermon, which was delivered by Rev. Burbridge.... Last week the members of the Bachelor Girls and the Modern Priscilla clubs and their host of friends were entertained by the Con. T. Kennedy Carnival Company with the promise that if they were dissatisfied with the entertainment their money would be refunded.
