Ebenezer just closed one of the greatest revivals of its history. One hundred and thirty-six persons united with the church and 23 went to other churches, making a total of 159. Rev. W. B. Nichols and Miss Mary G. Evans were the preachers. May heaven's blessings rest on these two gospel workers.

CARD OF THANKS.

Words can not express our great appreciation for the kindness and sympathy shown us during our recent bereavement in the illness and death of our beloved wife and sister, Mrs. Nellie Dozier Hatcher. We can only pray God's richest blessings upon the many dear friends and the Carnation Art club for the beautiful floral offerings. We especially thank Mrs. Sara Lee Hammet and Miss Magnolia Lewis for the beautiful solos rendered at the funeral services.

VINE STREET BAPTIST CHURCH.

All services last Sunday were well attended. Five additions to the church. It was the last day of the revival. Our success was fine. Twenty-one were converted and baptized last Monday night and about thirty-five additions. Next Sunday morning we will crown the candidates, at which time we hope for a spiritual feast; also return thanks to the Lord for his goodness. The majority of the converts are members of the Sunday school, which shows the Sunday school is doing a great work. Our pastor baptized the largest man that was ever baptized in our pool, but notwithstanding his immense size the pastor was careful to put him to the bottom and when he came out he brought about 30 gallons of water with him.

CENTENNIAL M. E. CHURCH.

A beautiful sermon was delivered Sunday morning by the pastor, Rev. R. Davis. Eight additions and two converts were received into the church. Twelve persons were baptized Sunday morning and next Sunday five more will be immersed, following the morning services at Rev. Matthew's church. This ends two weeks' services that have been very helpful both to the unsaved as well as the saved. The collections for the day was \$60. Rev. Davis has only two more Sundays with us, before going to his conference. We are hoping that he and his dear wife will be returned to us, for some years past there has been a very strong call for him to another field. Rev. W. Wooten visited with us Sunday morning. His words of encouragement were appreciated by all. The King's Herald were delightfully entertained last Saturday by Mrs. Jennie Woods on Cottage avenue. This is an auxiliary of small children of our church who are doing a wonderful work and who informs us that they have a splendid treasure, if you please. Laura McIntyre is the president of the little band. Enough can not be said of this dear girl and her untiring work in the church.

In loving remembrance of our darling little Marcell, who passed away one year ago today, March 23, 1915:

THE DAYS SINCE YOU LEFT US, OUR DARLING MARCELL.

Have now lengthened into a year, and your first anniversary in heaven was gained by many a heartache and tear. We wonder since you left us so lonely how the beautiful flowers' can bloom, or the birds start each day with a joyful song while our heart is so heavy with gloom.

SADLY MISSED BY FOSTER FATHER AND MOTHER.

IN MEMORIAM.

In sad and loving memory of our dear mother, Mollie Neff, who departed this life March 28, 1911:
God knew all about it, how noble
How gentle she was and how brave;
How brilliant her possible future
Yet put her to sleep in her grave.
God knew all about those who loved her,
How bitter their trial must be;
And right thru it all he is loving
And knows so much better than we.
So in the deep darkness we are trusting
One day we shall say it was well
God took from her brow earth's laurels
And crowned her with death's immortals.
Sadly missed by her children—

THE ROAD OF HUMAN LIFE.

ROSCOE C. JAMISON.
Along the Road of Human Life,
So very near, on either side,
With winds and storms and billows
rife,
There is a sea that's wide;
And woe to him who trips and falls
Into that darkening tide.
Oh, it is all that Hope can do
To keep lifted our eyes
And day by day our strength renew
With visions and dream-likes;
To lead us by that awful flood
From which no soul may rise.

Despair! Despair! That is the sea
Which ever at our feet,
Seeks to envelop you and me,
In ruin full, complete,
Cause us to deem this life a curse
And make Death's name sound
sweet.

Work, Laugh and Love! Thus only
can
The trembling spirit hold,
Its journey true across the span
Of years that doth unfold,
Amid earth's barren scenery
Until Life's tale is told!

SCIENTIFIC EUGENICS.

The Scientific Eugenic meetings conducted throughout the city by Mrs. Rosa Miles of Birmingham, Ala., are meeting with much success. Mrs. Miles speaks to the women in the afternoons and the men at night. The meeting at the Pleasant Green Baptist church, Rev. Geo. McNeal, pastor, was a great success. The women pledged themselves willingly to join in the movement to breed the Nation upon higher planes. Many of the older women expressed themselves as being sorry that they did not have the information forty years ago. Large crowds at the First Baptist church, Rev. Bowen, pastor. The house was perfectly quiet and the countenance of the hundreds of women present carried with them the seriousness of the occasion. As the speaker pleaded for the protection of the life of the babe in the embryo and the molding of the character during the days of gestation, many mothers gave their experiences with reference to dealing with their children in the embryo. These experiences are very helpful to the younger women who are to be the mothers of the future. A very interesting meeting was held at the Metropolitan Baptist church, Rev. Holmes, pastor. Two meetings were held at 18th and Terrace, Rev. G. T. Mosby, pastor, which brought about a manifestation of a deeper awakening of laying a racial foundation. The women of Mt. Zion Baptist church manifested much interest in the Eugenic Movement and pledged their support. The women were out in large numbers at King Solomon's Baptist church, Rev. Clay, pastor, and said they were glad to join in the movement to help breed the Nation upon higher planes. Everything was lovely at the C. M. E. church. If we could have meetings like this over this country and the people would take heed to the teachings of Sister Miles, we would soon have the change in our Nation's life for which we have been praying.

Rev. M. O. Warfield, president Methodist Ministers' Alliance of Kansas City and vicinity. The meeting at Vine Street Baptist church was of no small importance. It would be well for the people everywhere to hear Sister Miles and practice her teachings because the welfare of the nation is wrapped in the things which she teaches. Rev. Ewing is the pastor of the Vine Street church, where an excellent meeting was held. The two meetings at the M. E. church at 9th and Oakland, Kansas City, Kas., created much interest in the movement.

"I wish that the people everywhere could hear Sister Miles and put into practice the eugenic lessons which she is teaching. The world would certainly be better off," said Rev. T. S. McMorris.
The two meetings held at the Pleasant Green Baptist church were long to be remembered. The women were enthusiastic and manifested great interest in the movement.
Bethel A. M. E. church, where the Rev. F. D. Wells is pastor, had two large audiences which evinced their appreciation.
