FOREST GREEN, MO.

A glorious day was spent in Zion at the First Baptist church. Our pastor, Rev. W. H. Davis, preached a soul-stirring sermon at 11 p. m. At 12:30 Mrs. Fannie Hughes of Armstrong, Mo., and president of the Women's Home Foreign and Educational Work, was present, and with a large number of ladies organized a Ladies' Mission Circle. The ladies highly appreciated Sister Hughes' address, as it was full of inspiration. We were more than glad to have her with us. Mrs. Wm. McKamey, who accompanied Sister Hughes with a large number of Sunday school scholars, organized at 2 p. m. a Children's Mission Band. A large collection was raised on repair work of the church. Master Todd Woods left for Chillicothe as a delegate to the S. S. Convention in session there. Mr. Harvey Ford of Keyesville, Mo., is the guest of Mr. and Mrs. John Houston. Mrs. Carrie Tully is on the sick list. Her many friends wish for her a speedy recovery.

CARD OF THANKS.

Thru the columns of this paper we wish to thank our dear friends and members of the Bethel A. M. E. Church for the many kindnesses shown during the brief illness and death of our dear mother, Bettie Jordan. We also thank them for the beautiful flowers we gratefully accepted as a tribute of respect to our mother and as a token of love and sympathy.

ALLEN CHAPEL.
Where the Third Quarterly Meeting will be held Sunday, June 18, Dr. A. A. Gilbert presiding. Communion at 3:00 p. m. Rev. J. R. McClain will preach.

Afro-American Band—60 pieces and an all male chorus of 200 voices. N. Clark Smith, Director.

Band Master Organizing Band Chorus

BIG ORGANIZATION OF TWO HUNDRED AND SIXTY MEMBERS.

To Furnish the Entertainment for the National League.

A great phenomenal musical organization, that's all. Tremendous in number, wonderful in ability. Think what it means. A band augmented to sixty pieces with highly developed musicians and two hundred thoroughly trained voices. Great. You say, Why, the heavens will acknowledge such music and such singing from such a band and chorus.

In no place in America can a community boast such a thing on such a magnificent scale. This will prob-

ably be the high mark in big things music. It will work wonders in civic affairs and racial matters. Nothing like music to win love, respect and confidence among races. If music soothes the savage, it also reconciles the estranged to better race adjustment. All Kansas City will be proud of the Afro-American Band and all male chorus, with N. Clark Smith as master-director. You know about the famous pickinny band which toured the world, taking in Australia and many foreign parts; you know who created the Tuskegee Concert Band that toured this country and opened doors never before opened to Colored musicians and won applause from the highest musical circles; you know who directs the best race band in these parts today, and you know in what comparatively short time he has accomplished this result. Mr. Smith has a reputation for doing big things musical, in band work and the intensive study of song by the many.

Hence this big chorus will be thoroughly drilled and competent to sing the great numbers from the masters, both Colored and white. During "National League Week" the colossal band chorus will furnish the entertainment for the thousands of people gathered in this city. Visitors will have an opportunity to hear an organization of unprecedented magnitude, marvelous in its conception, grandeur and rehearsal. Only about 15 or more musicians are wanted for the band. Vocalists will be added at once. There are about 250 musicians throughout the country who owe their training to the astute bandmaster. Numbers of these will be here "League Week" together with a portion of the famous Tuskegee Concert Band, thus will probably be effected a sort of reunion of what might be termed "Smith Musicians."

PLATTSBURG, MISSOURI.

The Second Baptist church, under the leadership of Rev. Wm. Alford, is still progressing spiritually and financially. Sunday, June 11, was Rally Day. The church was divided into two clubs—the Allies and the Germans. The captain of the latter was Deacon George Stewart, assisted by Sister Mattie Coreman, while that of the former was Harry Dixon, superintendent of the Sunday school, assisted by Sister Gertrude Anderson; \$272 was raised by the Allies and \$187 by the Germans. Total \$459. The members of the Methodist church and the Christian church too an active part and contributed liberally. When these churches hold their rally we shall return favors. The Sir Knights and Daughters of Tabor will hold their annual services at the Second Baptist church next Sunday afternoon. We were favored with a visit from Deacon Boswell of the Highland Avenue Baptist church, Kansas City, Mo. Everybody was glad to see him. We understand the Hon. N. C. Crews will deliver the annual address for the Knights and Daughters of Tabor. He is a great man and a peer in his race.

ARGENTINE, KANSAS.

By Ophelia Jackson.
Prince Hall Grand Court, Holyrites of Jericho, Kansas and Nebraska Jurisdictions, held sessions in Casino Rink June 13-15. An excellent program was rendered each evening and a grand reception was tendered the Grand Officers, delegates and visitors on Tuesday night. Splendid music was furnished by a chorus of mixed voices under the direction of Mrs. Ophelia Jackson. Welcome addresses and responses were made by members representing the various courts and lodges with such a display of eloquence and oratory that they merited much applause. The installation of the officers and a grand drill were held Thursday evening. Large crowds were present every evening. Visitors were present from Omaha and Lincoln, Neb., and various places throughout Kansas. Splendid services were held at the Second Baptist church on last Sunday. Rev. James preached a wonderful sermon on the theme, "Led by the Spirit." Rev. Bowles preached in his usual manner on Sunday night, creating quite a great deal of Christian enthusiasm on the text, "Obey the Call." Buddie May is confined to his bed from an operation. Mrs. Edna Ester, who received injuries by a street car a few weeks ago, is very much improved. Mr. H. M. S. Brown, a Pullman porter, missed a trip out last week on account of a minor operation performed on Saturday. Mrs. Odessa Williams is still confined to her home on account of illness. Mr. Frank Middleton, Sr., who recently underwent a very serious operation at the hospital, has met Birch has been seriously ill, but is better at this writing. The rally held in the Second Baptist church the 3rd Sunday in May will be continued to Sunday, June 18. Rev. H. D. Harris will preach at 3 o'clock, followed by a basket meeting, in which the members of the visiting churches will take part. They anticipate a great day, and the public is invited to attend. Rev. H. D. Harris is attending the District Conference at Paola, Kansas, this week.
