TESTIMONIALS

I have been taking treatment from Mme. Martin for about three months. My hair has grown wonderfully—three inches. My scalp is perfectly clean of disease, which was never so before. Sanitary Hair Preparations have given me perfect satisfaction. I recommend them highly.
MRS. KATIE BROOKS,

her preparations are wonderful. Before using my hair was very thin on account of my bad scalp, but now it is thicker than it has been for years and it has grown several inches since March 1st, 1915.

condition; my hair was about 1 1/4 inches in length, but after three months' treatment with Mme. Martin's Sanitary Hair Preparations my hair has grown 3 1/4 inches.
For many years I tried many other preparations, but found nothing that would heal my scalp and grow my hair, until I used Mme. Martin's Preparations. I highly recommend them.

INDIANA BAPTISTS WILL GO TO KANSAS CITY.

Indianapolis, Ind.—By a unanimous vote the Baptist Ministers' Alliance of this city decided they would attend the National Baptist Convention, unincorporated, which meets in Kansas City, Mo., September 6-12th. In accordance with this, a committee on transportation, consisting of Drs. James H. Holder, J. D. Johnson and Wm. Z. Thomas, was appointed and after they had made their report the arrangements were at once perfected to have the representatives of the various organizations and the pastors and ministers throughout the state assemble in Indianapolis preparatory to leave this city at midnight September 4th using the Pennsylvania Railroad direct to St. Louis. Out of St. Louis they are to use the Chicago and Alton Railroad, which will enable the delegation to arrive in Kansas City at 5:35 p. m., Tuesday, September 5th. Rev. Wm. Z. Thomas, D. D., is chairman of the delegation and is one of the leading factors in the state. He declared that the greatest representation that Indiana has ever sent to any national meeting would go to Kansas City. He is president of the Sunday School Convention and only last week was in attendance at the state convention held at New Albany, where these plans were further consummated.

SOUTH CAROLINA GOING TO KANSAS CITY.

Columbia, S. C.—Nothing remains now in the way of a doubt as to where the South Carolina delegation will go in September. The matter has long been settled and South Carolina, according to the last information received from Dr. J. J. Durham, of this city, the president of the South Carolina Baptist State Convention, will go practically solid to Kansas City. Only last week the representatives of the various railroads were in this city and after a conference with many of the leaders it was decided that the recommendation of the committee appointed to look after the route and the transportation be accepted. "The Carolina special" route, which goes over the Southern Railway north, has been selected. In other words, such leaders as Drs. R. Kemp, J. J. Durham, J. D. Brooks, E. W. Bowen, with Drs. Watkins, Allen, Whittenberg, Easley, White, Garrick and others declared they are going to lead a mighty host of little R. F. D.'s and unknown Baptists out of South Carolina to the Kansas City meeting of the original and unincorporated National Baptist Convention. When they arrive at Cincinnati, they are to proceed direct to St. Louis and from St. Louis to Kansas City they go over the Wabash. They are planning to have a special train before they leave the borders of the old state of Carolina. Dr. Brooks when he was here several weeks ago, that South Carolina will join the North Carolina and a part of the Kentucky delegation en route to the Kansas City meeting.
