### Dr. J. H. Garnett Sues Richest Nun a Visitor

EX-PRESIDENT OF WESTERN COLLEGE DEMANDS ALLEGED BACK PAY.

Dr. J. H. Garnett, former president of Western College, Macon, Mo., a school conducted by the Baptist denomination of this state has sent the trustee board in the Macon county courts for back pay at the rate of \$100.00 per month. The board feels that they have met every obligation due Dr. Garnett, and that his suit is the result of "soreness" on being deposed as president, to which position Prof. Inman E. Page was elected. Dr. Garnett is one of the best known men in the state, and was for many years connected with Lincoln Institute.

Western College has been having much trouble on account of its inability to occupy property recently purchased in Kansas City and this new trouble does not add anything to the pleasure of the board.

### COLORED PEOPLE ENJOY A HOLIDAY.

Observance of Anniversary of Emancipation Proves Success.

### ELOQUENT SPEAKER HEARD

Nelson C. Crews Stirs Great Throng Gathered at Fair Grounds.

Through the hard work of members of the committee and the liberal assistance of the press, the colored people of Terre Haute held the greatest celebration of the Emancipation Proclamation that has ever been witnessed in this vicinity. Opening with a parade six squares in length that was in every way creditable and upon which much favorable comment was made, the exercises of the day were launched with a vigor that assured the success that followed.

Attorney John E. Roundtree as master of ceremonies, delivered a brief but splendid address at the fair grounds in the afternoon. Miss Harriett Stuart, daughter of Prof. S. W. Stuart read the Proclamation.

### Speaker Stirs Crowd.

Mr. Roundtree then introduced the speaker of the day, Nelson C. Crews, of Kansas City, Mo., who gave a masterly address, full of the fire and enthusiasm so characteristic of Mr. Crews and which brought forth loud applause at frequent intervals. At times Mr. Crews' voice, his audience, the largest colored audience that has assembled on an occasion of that kind, to tears while at other times he led them in singing some song of the olden times that brought the scenes of the slavery days vividly before the binds of the older persons present.

Mr. Crews reviewed the experiences of the Negro from the time he was brought to this country through the trying days of slavery and to his emancipation. He then showed what he had accomplished since the time of his emancipation and gratefully remembered those who had had a part in assisting and helping the Negro to his present place in the world.

His final plea was that the Negro be given the chance to be a man in this country and the privilege of enjoying the citizenship accorded him by the Constitution of the United States.

The music by the Fraternity Band was the best that organization has furnished.

The local committee is grateful to citizens who donated the use of their automobiles and to all who in any way assisted in making the day the great success that it was.

### Crowd at Night Meeting.

Addressing a cheering, applauding crowd of more than 2,000 people last night, Mr. Crews appealed to the colored voters of Vigo county to support Charles E. Hughes, Republican nominee for president with their ballots in the coming election. Not in years has there been such an assembly of voters at an open air night meeting, and never was enthusiasm more pronounced than was shown last night. The meeting was held in the grandstand at the fair grounds and was made of colored and white voters.

In eloquent terms Mr. Crews showed the wide contrast between the administrations of Woodrow Wilson and Abraham Lincoln, depicting the noble work accomplished by the martyred President and the woeful lack of achievement, so far as it affected the Negro race, by the Wilson administration. Race discrimination has been most pronounced since the inauguration of President Wilson, Mr. Crews declared.

The speaker was interrupted repeatedly by applause which many times lasted several minutes.—Terre Haute Star.

### HISTORICAL PAGEANT.

King Solomon and Queen of Sheba. A wonderful production of that historical pageant of King Solomon and Queen of Sheba was given Friday night, September 22, at Lyric Hall, under the auspices of Ezekiel Lodge No. 18, U. B. F. and Queen of Sheba Temple No. 284 S. M. T., assisted by the U. B. F. Drill team under the management of Col. Neal Range. It was a decided success from all angles. The king was represented by Brother J. W. McCutlin, of Ezekiel Lodge, and the Queen by Mrs. Irvin Harold, of Queen of Sheba Temple, each representing the character in such a pleasing manner as to win the applause of the large audience that was witnessing it. Very beautiful did the sisters and brothers as attendants look; sisters in their white dresses and purple sashes, and brothers in black suits and purple sashes marching behind the Queen and her drill team who bore Almgus trees to present to the King. The Queen presented to the King "120 talents" of gold and the King presented her with a "royal bounty." A musical program was rendered to entertain the King and Queen. The Adams sisters sang a very beautiful duet. Much credit is due Mrs. Anna Roberts from whose brain this royal pageant was produced. Receipts were \$66.95.

### BETHEL A. M. E. CHURCH, TWENTY-FOURTH AND FLORA.

Our quarterly meeting on the 3d Sunday, was indeed a record breaker. The people came from every direction seemingly, in the afternoon. The Church was filled to its utmost capacity, many were forced to leave because there were no more room. Bethel's choir was at its best, and sang to the satisfaction of all who were present. The ministers of the various Churches of the city were present with their congregations, and enjoyed a soul stirring sermon preached by Rev. M. L. Warfield, of Kansas City, Kas. At 8:00 P. M., Rev. W. T. Nickerson, the world wide evangelist, preached a most excellent sermon, which was the beginning of a two weeks' revival meeting, and has been in progress every since with splendid results. Sunday, October 1st, we will have a great Harvest Home service at 3 P. M. This promises to be one of the greatest services of its kind ever held in Bethel. The Harvest will be placed on the altar, and will remain throughout the day. Space will not allow us to give details—be present and witness for yourself.

### A GOOD SHOWING AT LINCOLN SCHOOL.

In the shoe repairing shop at Lincoln School over one hundred and fifty pairs of shoes were repaired last year by the pupils, the material being furnished at wholesale cost. Last year the Board of Education added a fine sewing machine to the equipment and this week a skivers machine was installed. This machine saves both labor and material. A schedule of revised prices for the various kinds of material has been sent to each patron and the pupils, under direction of Mr. Harry L. Watkins, director, are taking even greater interest in the work.

The Lincoln school cafeteria, the first of such ventures among the colored schools of the city, is also growing in popularity among the patrons. Penny lunches were sold so near cost last year that out of eleven hundred dollars gross receipts only about ten dollars remained as profit at the end of the year. The menu is changed daily and seldom consists of fewer than a dozen different articles none of which is sold for more than three to five cents.

The editor received an invitation to attend the banquet tendered Grand Master W. W. Fields, by Moslem Temple, St. Joseph, Mo., but on account of being on a speaking tour in Indiana was unable to be present.

### IDEALS OF THE SUCCESS OF THE PLAIN PEOPLE.

"If I did not believe that the Republican party was the party of true progress, which was prepared under its leadership to take the country along the way of adaptation to new needs and exigencies of the future, I should have no pride in representing it. But the party of Lincoln is reunited today and we consecrate it to the ideals of Lincoln, and those ideals are permanent. These are the ideals of the success of the plain people. They are the ideals of the achievements under free institutions, of success in all the activities of the co-operative energy of the plain people."—Charles E. Hughes in a Speech Delivered at Plattsburg, N. Y.

## South in Saddle Now Rides the Whole Nation

Nearly All the Important Committees in Both Senate and House are Controlled by the Members From the South

Washington, Sept. 16.—The irony of fate was never so apparent as in the workings of the democratic party. Had any one been found so bold as to have ventured a prophecy that the time would come when the union soldier would see the entire government which he saved under full control of the states which attempted to destroy it, he would have been regarded a candidate for the asylum," declared Representative Simeon D. Floss of Ohio, chairman of the publicity committee of the national republican congressional committee, in a statement here today.

"That time is now reached. The south rides at the head of the procession. The president and his family are southern in birth and sympathies.

### Control by South, Absolute.

"His cabinet is also southern, the five controlling heads are from states that have less than one-fifth of the population and bear less than one-half of the taxation.

"The senate in leadership and working committees, is southern. The house, from speaker to doorkeeper is southern. Seventeen out of eighteen great committees are headed by southern men; as follows:

- "Ways and Means—Kitchin, North Carolina.
- "Appropriations—Fitzgerald, New York.
- "Banking and Currency—Glass, Virginia.
- "Interstate and Foreign Commerce—Adams, Georgia.
- "Rivers and Harbors—Sparksman, Florida.
- "Merchant and Marine—Alexander, Missouri.
- "Agriculture—Layor, South Carolina.
- "Foreign Affairs—Flood, Virginia.
- "Military Affairs—Hay, Virginia.
- "Naval Affairs—Padgett, Tennessee.
- "Postoffice—Moon, Tennessee.
- "Indians—Stephens, Texas.
- "Insular Affairs—Jones, Virginia.
- "Railways and Canals—Dies, Texas.
- "Public Buildings—Clark, Florida.
- "Roads—Shackelford, Missouri.
- "Rules—Henry, Texas.

"This was carried by a vote of 183 to 176. Every republican save one from Tennessee, and one from Virginia, voted for it. Every southern man voted against it and a few northern Democrats, including McGillicuddy, of the Second district of Maine. Vote is recorded August record page 5,877 of the present session.

"The committee which has charge of these claims is under control of a member from Texas.

"The south governs, appropriates and spends.

"The north obeys, pays, and defends.

"This is the irony of fate fifty years after, it is the meaning of Democratic control."

### LINCOLN'S HOME.

Washington, D. C.—The cabin which was Lincoln's first home, now standing on its original site near Hodgenville, Ky., became the other day the property of the Nation. A man who sees it, and later sees the completed great marble memorial to Lincoln on the bank of the Potomac at Washington, will have seen typical edifices of the most symbolic career yet known to the republic.

The one is ten logs high on a side, is plastered with soil and has an outer chimney of logs, sticks and mud. The other is to cost millions, be made and adorned by artists of distinction, and become, next to Mt. Vernon, the home of Washington, the most frequented of all American civic temples.

What enduring monuments these are, not only to Lincoln, but to the 10,000,000 Black men and women and children in America—it was because of the Emancipation Proclamation that Lincoln will longest be remembered.
