**ALL NATIONS BEAT INDIANS.**

The Schmelzer All-Nations took the Nebraska Indians into camp for the second time Sunday afternoon at Association Park by a 5 to 4 count. The Indians scored all their tallies in the opening round, but, after that, John Donaldson, the noted Negro hurler, made them look helpless at the bat. The All-Nations scored their first counters in the fourth frame, when Rogan tripled with a runner on and a moment later he stole home. They put over two more runs in the fifth frame and the winning tally was made in the sixth. Donaldson struck 12 and Myers, his opponent, whiffed 11.

**"Y" HAS 1025 MEMBERS.**

Indianapolis, Ind.—The annual April membership campaign closed Monday night, April 30 at 5 p. m., with a very successful campaign. The goal that was aimed at in the beginning of the

campaign was 150 members, but when the final count was made on Monday evening, it was found that instead of 150 members being secured, 177 had been brought in to the Association. The captains and workers went into this campaign with a determination to be successful. The membership to date is 1025.

**HARRY WILLS WINNER OVER JACK THOMPSON.**

New York, May 3.—Harry Wills, the New Orleans heavyweight, easily defeated Jack Thompson at the Vanderbilt Athletic club last Monday evening, in a fast and interesting bout. Thompson was a willing mixer, but stood little chance against the clever Southerner, who out-fought him in every round. Wills weighed 206 pounds and Thompson 200.

St. Louis, Mo.—Sam Langford, sometimes called Boston Sam and now known as Chicago Sam, breezed into town Tuesday morning and rested

enough during the afternoon to put a knockout on Big Bill Tate at the Future city A. C., in the evening. The blow came in the sixth round of their scheduled twelve-round bout, when Sam landed a right hook to the jaw. Round one, two and three even; fourth round was tame. Langford scored heavily in the fifth and sixth, when the bout was ended.

The Sun received a card from Dr. J. E. Perry stating that he is having a delightful time among old friends and acquaintances and that they have been coming to see him from all sections of the county in every thing from the Limousine to an Ox-Cart. He is now spending a few days in Paris, Texas.

**SCOTTISH RITE MASONS TO MEET IN PHILADELPHIA.**
