## MARYVILLE, MISSOURI.

### A Charming Reception.

The coming of the New Year brought to Maryville society the greatest and most elaborate reception ever held, when on New Year's evening at the Masonic Hall Mr. and Mrs. B. F. Smart entertained complimentary to their niece, Miss Pauline Palmer, a student in Lincoln Institute; Mrs. John McGeehee, a recent bride, and Mrs. Ernest O. Boone, Jr.

The hall was beautifully decorated with Christmas bells, interlaced with festoons of red and green. Beautiful artistic baskets and antique vases held large bunches of poinsettias, carnations and mistletoe, and were so artistically arranged that wherever you might look flowers greeted you.

Mrs. Smart, attired in a lovely black evening gown, greeted the guests at the door and bade them enter to Fairyland. Mrs. E. E. O. Boone, Jr., presided at the punch table. The first of the evening was given over to playing games. Melodious strains of the most popular music floated over the room from the Victrola. When everyone was in the heights of enjoyment the hostess sounded the gong, calling them from pleasures to refreshments. The following menu was served:

Pressed chicken—Oyster patties.  
 Sweet jerga—Fruit salad.  
 Cream mayonnaise.  
 Southern beaten biscuits.  
 Baked Cream. National colors.  
 Scotch chocolate cake. Coffee.

The handsomely gowned guests, the elaborate luncheon, the artistic and beautiful decorations, the charming hostess made a scene never equaled or surpassed in Maryville. After the guests were served, Miss Pauline Palmer entertained with an instrumental solo.

## ARGENTINE, KANSAS.

By Mrs. Ophelia Jackson.

Mrs. A. E. Rogers became very ill last Saturday and was taken to the hospital Monday. The social event of the season was a New Year's reception and an exhibition of the year's

work, given at the beautiful residence of Mr. and Mrs. John Pinkert, 1645 S. 19th street, by the Needlecraft Club. The house was tastefully decorated in the colors pink and white, and the color scheme was carried out in the dainty repast, which consisted of cream, cake, punch, almonds and mints. The costumes worn by the members were of the most delicate tints and shades of various colors of satin, georgette crepe, charmeuse and crepe de chine. The hours of receiving were from 2 to 10 p. m. and about seventy-five guests attended. The members have shown much progress in their work and the exhibit portrayed commendable art. Mr. Gus Strickland, from whom a pig was stolen a few weeks ago by some white boys and sold to a white man, took his pig from the barn where it was kept and the white man had a warrant sworn out for his arrest. It was proven at the trial that the pig belonged to Mr. Strickland and he was released. The election of officers was held in the St. Paul S. S., January 6, and Miss Rachel Holt was elected president and Miss Victoria Ross, secretary. A program will be rendered at the St. Paul Chapel Sunday night under the supervision of Mrs. Lillie Lacy, president of the choir. Solos will be rendered by Mesdames Everett and Pinkert and Miss Lulu Lytle. Papers will be read by Mr. J. H. Allen, Mrs. Fannie Carter and Mrs. Cora Bailey and remarks will be made by Dr. N. S. Jenkins. Music will be furnished by the choir. Mrs. Gussie Locke is ill.

## FOOD EXHIBIT AND FINE PROGRAM TO FEATURE TUSKEGEE CONFERENCE.

Tuskegee, Ala.—"Meeting the Needs of the War Situation" will be the topic for discussion at the annual Tuskegee Negro Conference which convenes at Tuskegee Institute Wednesday and Thursday, January 16th and 17th, 1918. In the first day's session, emphasis will be given to the problems of food and farming which have become especially important and urgent since this country has entered the war.

The Annual Workers' Conference will be held on Thursday, January 17, and the special topics which will be considered are: "What is Being Done in Spite of the War Conditions to Increase the Facilities for Rural Education"; "What the Schools for Higher and Secondary Education Are Doing to Help Improve the Rural Schools"; and "What is Being Done by the Rural Schools to Help Improve the Rural Community Life." Along such lines as helping to promote better farming, improve the home, help the church, conserve health and direct the social life of the community. This session of "workers" will bring

together teachers, ministers, and others who are engaged in some form of definite work for the improvement of the masses of the Negro people.

A number of state superintendents of education, and other persons prominent in the educational work for the Colored people have been invited to appear on the program. The acceptances already received, and the general interest manifested in the subjects for discussion indicate that the Twenty-seventh Annual Conference will be largely attended, and very successful meetings held.

In addition to the regular program there will be a number of interesting exhibits arranged by the various departments at the Institute. Among these will be an exhibit showing various war substitutes for food which is being arranged by Prof. George W. Carver, director of the Tuskegee Experiment Station. For information regarding the conference, write R. R. Moton, Principal, Tuskegee Institute, Alabama.

## TEN REASONS WHY YOU SHOULD JOIN THE AMERICAN WOODMEN.

1. Because it is an association of Colored people, operated by and for the protection of Colored people, and is not operated for profit.
2. Its rates are those of the National Fraternal Congress and therefore it is enabled to maintain a reserve sufficient to meet the increased mortality of its members in later years without resorting to taxes or extra assessments.
3. Because all certificates carry old age, permanent and total disability, accident, sickness, death, and burial benefits, thereby enabling any member to cover in a single policy such protection as otherwise would require the carrying of two or more policies in different companies at a cost in the aggregate far in excess of the rates offered by the American Woodmen.
4. Because there is no discrimination in rates. The humblest wage-earner pays no more than the professional or business man; age regulates the rate.
5. Because your policy cannot lapse on account of illness, accident unless you so desire, for it pays benefits from beginning of illness or accident until the restoration to health regardless of the time, whether measured in hours, days, weeks, months, or years.
6. In the event of death from whatever cause, there is an amount varying from \$250 to \$2,000 to maintain and protect those who are left dependent. It has paid within the past sixteen (16) years to its members, \$400,000.
7. Because, by giving employment to hundreds of Negroes, it opens the door of hope to you. Its clerical force is composed of young men and women of the race, thereby giving an opportunity to earn a livelihood in a creditable way.
8. Because it is the oldest and strongest fraternal life insurance society for Colored people in America. It has \$150,000 for the protection of its policyholders, and its solvency is unquestionable, being valued at one hundred per cent.
9. Because it accepts the membership of women on the same basis as men, and allows them to affiliate in all matters affecting the camp to which they belong.
10. Because of its fraternal feature, large numbers of men and women are brought into personal contact, thereby learning to guard and respect each other's interest, which ultimately develops into a racial love that promotes business.

Then you should waste no time to become a member.
