### WESTERN UNIVERSITY 7, LIBERTY 6

#### WESTERN UNIVERSITY.

By Lillian Hatcher.

After a quarantine of four weeks our school is again in full operation. There were no cases of influenza among our students.

Sergeant Sanders, formerly a student of this institution and now stationed at Camp Dodge, attended our chapel exercises last week and spoke interestingly to the students.

Prof. Perry L. Jacobs, teacher of Agriculture and football coach, left last Monday for Camp Taylor, where he has been appointed to duty as "Y" secretary. Though we regretted very much to lose Prof. Jacobs, we are glad to know that he is to enter a field of such usefulness and he carries the best wishes of faculty and students.

The Rev. J. C. C. Owens, D.D., one of our trustees, now pastoring at Leavenworth, was a visitor Tuesday.

Prof. A. H. Jones of the Theological Department offered a prize of one dollar to the first of our boys to carry the pigskin over Liberty's goal. Wilson Green was the happy recipient. Mrs. Minnie Robertson gave a pie to each member of the team.

The first of our monthly rhetoricals was held last Friday evening in the auditorium of the Studio Building. The attendance was large and the program exceedingly well rendered. These programs will be given on the first Friday evening of each month and it is the hope of the University that we may have a goodly attendance from the community and the Kansas Cities. To the delightful surprise of the participants, Prof. Crews, our enthusiastic and beloved director, evidenced his appreciation of the creditable performance of the participants, entertaining them at an informal luncheon Sunday afternoon in the dining room of Ward Hall, those present being Misses Lillian Hatcher, Etta G. Motten, Beatrice Johnson, Amanda Estes, Novella Patton, Mineola Garland, Christina Gudgell, Ollie Garrett, Katherine McCoy, Rosetta Rentzie and Beulah Strickland.

Western U., 7; Liberty A. C., 6. After a four weeks' postponement, Western University finally opened its 1918 football season on Friday, November 8, by defeating the strong Liberty A. C. eleven by a score of 7 to 6 in Liberty, Mo.

Western won the toss and received the kickoff. On the first down, Bruner, the big Western fullback, punted. Liberty then made a forward pass for thirty yards, and before the Blue and Gold eleven could settle down, Liberty crossed its goal by a series of line plunges and end runs for the first touchdown. Liberty failed to kick goal.

In the second quarter, Liberty threatened to score again, but Western's strong backfield successfully warded off all attacks. In the third quarter Western assumed the offensive, but could not score.

The fourth quarter opened with both teams fighting desperately. With but four minutes of play left, Liberty attempted a forward pass, but Wilson Green intercepted it and dashed across Liberty's goal, tying the score. George Bruner then kicked a goal, which gave the game to Western University by a score of 7 to 6. Bryant.

Many persons wonder why the Sun is continually singing the praises of Dr. J. W. Hurse but to those who know real men and appreciate real merit who admire men who will stand up for their race, equal justice and fair treatment on all occasions must concede whatever their prejudices that these sterling qualities are fully epitomized in the stalwart personality of Dr. J. W. Hurse. Any member of the race, however humble, is welcome to his office and advice at all times. And in trouble, in sorrow, or distress, no truer friend can be found than the Rev. J. W. Hurse.

DEACON ROY COCHRELL, 685 So. Wellington.

Dear Agent: I must say that the Mackey's Liniment ought to be kept in every home, most especially where there is a woman. The Liniment helped me so much for the appendicitis. Kindly send me another bottle as I am sure I can never do without it.

REV. MRS. LENA MASON,

The world's greatest female evangelist whom the editor had the pleasure of hearing last Sunday night at Hannibal, Mo., where she was called from her home in Philadelphia on account of the death of her sister, and during her week's stay was prevailed upon by Dr. Brooks to conduct a series of meetings which were attended by immense crowds. She possesses the same wonderful Biblical knowledge, same power of oratory and the same matchless singing that puts her at the head of the Evangelists of the Race. She says she will come to Kansas City next February.

#### MUSICAL BENEFIT.

Owing to the ban having been put on all public places of meeting in Kansas City because of the influenza epidemic for the past two months, our church has received quite a setback. Now that the ban is lifted let each and every one of us rally to the assistance of each other as joyfully as we did to the demonstration of the announcement of Peace on November 11. We are earnestly asking all to come to the Second Baptist Church, 10th and Charlotte streets, on the evening of December 2 to attend a grand musical given by Mrs. Jessie Smith for the benefit of the pipe organ. Watch this space for the program next week.

#### FARMERS' SCHOOL AND CONFERENCE.

The Sunflower State Agricultural Association will hold the Farmers' School and Conference November 23d to 29th at the Industrial and Educational Institute, Topeka, Kas. Prof. G. R. Bridgeforth is president, J. G. Groves, treasurer; Arthur Emery, secretary, and F. W. Kirk, director, assisted by G. W. Morris. The Farmers' School is to accommodate men, women, boys and girls who are unable to leave home during the busy season, but who would like to avail themselves of the knowledge of practical farm and home problems to which this conference is exclusively devoted. The board and lodging for the entire ten days will be only \$5.

#### NOTICE.

Vitagraph's Big 9-reel feature, "WOMENHOOD, the GLORY of NATION," which was postponed on account of the ban, will be shown at the DIXIE THEATRE, 2411 Vine Street, Friday evening, November 29, under the auspices of Co. A, Missouri Home Guards. Admission 25 cents. All tickets held for same will be good on the above date.

Two shows—one at 7:15 P. M. and one at 9:15 P. M.

#### A CALL TO TRUE MEN AND WOMEN.

The Kansas Defense Society is raising funds to secure, if possible, the freedom of the Negro soldiers who are confined in prison for having participated in the so-called Houston riot. The Sun has taken up their cause in this city and if you believe they should have a rehearing, that they should be given A WHITE MAN'S CHANCE before the bar of public opinion and equity, then be courageous enough to subscribe to the extent of your ability to this very worthy cause. The Sun has started the contribution with ten dollars. Who will be the next loyal man or woman of the Race to make a contribution?

Mail in your contribution or come to our office or call us over our phone, Bell East 999, and we will come to you. All contributions will be published weekly in this paper.

Are you a man? Have you a heart? Then get busy.

#### A WHITE BRUTE.

Some Facts in the Case of One Bello, Alleged Rapist.

Five year old Frances Campbell was led into tall weeds at 25th and Vine streets, where an assault was attempted by Joseph Bello, an Italian huckster, on August 20, 1918.

The assault was frustrated by the interruption of two women, one of whom beat him and held him until the police arrived and went to the station and put in the complaint.

At the preliminary hearing last Tuesday, Justice Dougherty, attended by many public spirited women and men and at which the race was ably represented by Hon. C. H. Calloway, in spite of the clear recital of facts by little Frances and the witnesses, the judge took the case under advisement.

In the interest of justice to the race, shall we sit idly by, in no way assisting in bringing to justice fiends of this type? The Sun ventures the prediction that had the nationality of the principal characters been reversed the man would never have lived to reach court. If money is needed or counsel, in the language of the immortal Lincoln, let us give "to the last measure of devotion" that justice shall not perish to the earth.

The Sun is reliably informed that the prosecutor's office is vigorously pushing this case and insisting that justice be meted out to this man and the 40,000 Negroes of Greater Kansas City will anxiously and closely watch the final termination of this atrocious crime.

EVANGELIST M. C. HARRIS,

Who is preaching every night at Ebenezer and having great victory in winning souls for Christ. She is a great gospel preacher. Come and hear her and she will do you good.

#### BIG TURKEY DINNER.

Don't forget the big turkey dinner to be given by the Wheatley-Provident Hospital Auxiliary No. 1 in the spacious dining room of the new Hospital Thanksgiving Day from 12 to 6. Dinner only 25 cents, and preparation has been made to feed 500 people.

#### NEGRO ELECTED CORONER.

One of the gratifying results of the recent election in Kansas was the election of Percy Robinson of Parsons, Kas., as coroner of Labette County. Mr. Robinson received a total vote of 7,507 and was elected by a majority of 4,427, leading the ticket in the county.

A group of the prominent characters in costume of the Grand Pageant of Liberty to be given for the benefit of the Canteen for Negro Soldiers. There will be three hundred persons in addition to those who will take part in this stirring play.

#### MANHATTAN, KANSAS.

Mrs. Debro Geeter returned home last week after an extensive visit with her daughter, Mrs. William Irvin of Clearview, Okla. Mrs. Charitie Gibson is somewhat indisposed at this writing. The Bethel A. M. E. church is progressing nicely under the leadership of their pastor, Rev. S. W. Henderson. The young people gave a linen shower last week on Mrs. Wilburn, which was a total surprise. They enjoyed themselves very much. The bride received several useful presents. The bride and bridegroom are attending the K. S. A. C., their home being

#### CORNER STONE LAYING.

The corner stone for the new Pleasant Green Baptist Church will be laid Sunday at 2 p. m. at 4th and Oakland, Kansas City, Kansas. This is the Church of which Rev. George McNeal, Grand Master of the U. B. F.'s of Kansas and the oldest pastor in point of service in the two cities, is pastor, and was destroyed some time ago by an incendiary fire. Doubtless a monster crowd will witness these ceremonies.

In Lawrence, but we are proud to have such brilliant young people in our midst. Bethel A. M. E. Church is looking forward for a good program Thanksgiving eve as the young folks are striving to make it a success. The Mite Missionary Society met last Tuesday evening with the president,
