WESTERN NEGRO PRESS ASS'N TO MEET IN KANSAS CITY.
Newspaper Men Will Meet With the Oklahoma Boosters July 25-26.

To Members of the Western Negro Press Association, and to All Other Newspaper and Magazine Representatives, Greeting:

By the authority vested in me as president of the Western Negro Press Association, I hereby call upon you to convene in the 15th annual session of said association in the Masonic Temple, Eighteenth and Woodland streets, Kansas City, Mo., July 25 and 26, 1919, for the purpose of transacting all business of the association that may be brought before the convention, and for taking up and discussing important public questions affecting the interests and welfare of the Race in the United States of America.

I earnestly urge all newspaper and magazine owners, whether members of the association or not, to send representatives to this meeting, which will be one of the most interesting in the history of our association.

It is for the Colored press to blaze the way for the Race through the veiled future of a great reconstruction period, and to meet these grave responsibilities, to act wisely and timely, is one of the big problems we will attempt to solve at this meeting.

Another very interesting feature of this meeting will be the entertainment in Kansas City on the 24th and 25th of July of the Oklahoma Boosters, a large party of Race people who will travel in autos from Tulsa, Ok., via Winfield, Wichita, Newton and Topeka to Kansas City. The press boys have been invited to make the entire trip with the party and doubtless many of them will accept the invitation.

Allow me again to urge every Colored publication owner to send representatives to this meeting.

A. J. SMITHERMAN, Pres.,
Tulsa, Oklahoma.
J. D. COOKE, Secretary,
Gary, Indiana.

FROM OVERSEAS.
Private Emis Taylor with the 805th Pioneer Infantry formerly residing at 341 Everett Ave., Kansas City, Kansas, writes a very interesting article "What will become of us in years to come" and we regret that space will not permit us to publish same.

Mustelan Verlon L. Page, 816 Pioneer Infantry, writes that their band had the honor of playing for the dedication of the Arbonne Cemetery on Memorial Day which is the largest American Cemetery in France. The regiment was reviewed by "General Pershing" and highly praised for their services while in France. He sends love and best wishes to all, and says look for him soon.

Edward T. Moore of 816 P. I. writes that these boys are all happy over the thought that they will soon be ready to come home. Corp. Nich Love and Sgts. Anderson and Logging returned from Paris after a slight seeing trip. A number of the boys are taking furloughs and visiting Paris. The band of the company is doing fine.

A very pleasing and unique thing was the receipt of a large poster upon which was artistically pasted cuts of various prominent women who have from time to time appeared in the Sun. This poster was made in Glycer, France, by Sgt. Lawrence J. Berry of 528 Vine Street this City. It includes likenesses of Madames W. T. Osborne, Pearl M. Dabney, Clara Adams, C. J. Walker, A. More, Wm. Hopkins and Sewell. He says the boys of the Regiment never tired in proudly telling the French people who visited their barracks that they were representative types of our race in America.

Private Henry M. S. Brown of Co. K, 805th Pioneer Infantry writes that it is only a matter of a few hours before their friends may again gaze upon them. The following little poem comes from his pen:

A Nation goes adventuring,
With a heart that will not quail,
A Nation goes adventuring,
To seek the Holy Grail.

A Nation leaves its money bags,
Its firesides, safe and warm,
To ride about the windy world,
And keep the weak from harm.
