CREWS ASKS FOR RACE HARMONY.
Noted Colored Orator of Kansas City Makes Stirring Talk.

CELEBRATION A SUCCESS
Many Visitors Attend Corner Stone Laying of Douglas School and Emancipation Celebration.

One of the most successful affairs ever given by the Colored citizens of Maryville was held recently when together with many Colored people from surrounding towns and country they gathered for a two fold celebration of the signing of the emancipation proclamation and corner stone laying of the new Douglas school building.
Hon. N. C. Crews, of Kansas City, who has been coming to similar celebrations in Maryville for the past nineteen years and who is well known to both races in this city, delivered the principal address at the celebration at the high school grounds.
Mr. Crews touched upon the great question of race prejudice in his talk yesterday afternoon and brought before his audience the injustice which the Negro has been forced to bear in the recent race riots in Chicago and other cities. "Our whole race must answer for the wrongs of one of us," he said, in speaking of the manner in which such riots start and when trouble has once been started both the

BUNDY RALLY A SUCCESS.

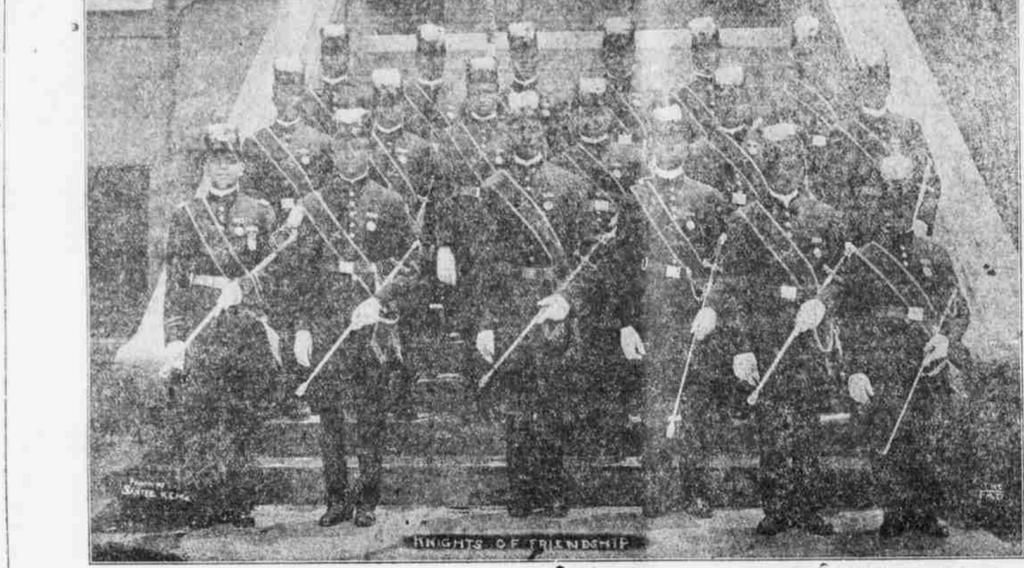

One among the most enthusiastic meetings since the beginning of the campaign for the Dr. Bundy Defense Fund was that held last Sunday at J. W. Hulse's monster camp meeting tent at 12th Street and Michigan Avenue. Long before the time scheduled for the meeting throngs of men and women and children could be seen wending their way to this meeting.
Promptly at 5 o'clock p. m., the various organizations headed by the famous Second Regiment Band followed by a large number of the committee and other citizens paraded from Lyric Hall to the tent. One of the special features on the program was the masterly address delivered by Maj. H. A. Byrd of Springfield, Ill. Which was followed by the speech of the hour by Hon. W. Clarence Hueston who carried his hearers to a high pitch. Mr. Hueston related in detail the history of Dr. Bundy's trial and the supreme effort being made by his attorneys to secure his freedom. Dr. J. W. Hulse made a few remarks. Dr. J. E. Perry was Master of Ceremonies.
At the conclusion of the program an appeal was made for a contribution of the Defense Fund and in but a few moments \$158.83 was laid on the tables.
If you have not already given to this worthy cause or if you wish to increase your contribution, bring or send in your contribution to the headquarters, 1803 E. 18th Street.

"FIVE BLOCKS IN SEWER" RIVALS VERNE SEA YARN.

But Rastus Stages Thriller When He Tackled the "Old Mud Hole."
For thrills and fearful experiences the story, "Twenty Thousand Leagues Under the Sea" has nothing on the little underground trip at 4:30 o'clock yesterday of one James Ichabod Rogers, 8-year-old colored boy, known as "Rastus." Wednesday Rastus with a number of other boys in the Wading Pool at 17th and Paseo. Someone had removed the cap from the drainage and in a second the boy was sucked into the drainage canal and on into the main sewer. Walking from where he went down to 17th and Troost, five blocks away, where climbing up to a man-hole his screams attracted the attention of passersby who released him, took him home, barring a few bruises. Jimmie was not apparently injured. Thousands visited the pool to see the place where the boy went through and marvelled upon his miraculous escape.
