WASHINGTON, D. C.

By William H. Dawley, Jr.
 Outside of the surely Negro communities Judge Robert H. Terrell stands unique and alone. Three Presidents have appointed him and the Senate has confirmed him five times in eighteen years notwithstanding he is a Republican and one of the President's was a Democrat and the Senate was twice Democratic.

In 1901 Attorneys Terrell and Hewlett were appointed with eight white men as civil magistrates. In 1905 Congress reduced these ten Justices of Peace to six and Judge Terrell was one of them. In 1905 the Peace Courts were abolished by Congress and five Municipal Courts were established with jurisdiction amounting to \$500.00 and Judge Terrell was the only one of the originals retained.

These Courts do an enormous business, employing thirteen Deputy Marshalls, one chief and five assistant clerks with a salary of \$1,200.00 each and pay the Judges \$3,000.00. They are not only self supporting courts but the only courts that are an annual surplus of \$50,000.00 into the treasury, where now they have \$300,000.00 to their credit.

The repeated reappointment of Judge Terrell is due not a little to this unexampled economy as well as decisions that are not reversed. Congress has recently arranged to increase the deputy Marshalls from thirteen to fifteen, add two more clerks, raise the financial jurisdiction to \$1,000.00 and allow a jury.

Judge Terrell also enjoys the distinction of being the Senior Judge. He is product of the Washington schools and Harvard. He has held the position of teacher and Principal of the Washington High School, Chief clerk in the Auditor's office under Judge Lynch in the Harrison administration.

Every inch of his six feet teems with an intense love of his race and especially in the uplift of the young men who never lack helpful advice and an encouraging word from him. The other day when your correspondent appeared he was showing an unlettered man of the race how to plead his own case and thus reduce legal expense.

FORT SCOTT, KANSAS.
 Rev. William Young, who collapsed in the pulpit while singing in the Union Revival Tuesday night, remained unconscious for two days is greatly improved. Quarterly meeting at Wayman A. M. E. Church was largely attended. Rev. Schemport of the C. M. E. Church preached the Communion sermon. The holy spirit was manifested in the meeting and many rejoiced. The closing sermon of the Union revival at Mt. Zion Baptist Church was preached by Rev. G. M. Tillman from the text: "Remember Lot's Wife." The church was crowded and many were forced to stand.

The meeting lasted a little over two weeks and there were 32 conversions and accessions. Mrs. Sarah Parks received a big Thanksgiving box of eatables from her daughter, Mrs. Maggie Lytle of Lincoln, Neb. Mrs. Katherine D. Tillman conducted a large Union Service of young people at the revival Sunday. The principal speaker was Miss Margaret Armstrong of the Plaza School. Dr. J. D. Barkdale the new P. E. will preach at Wayman Tuesday, December 9. The public is invited. Rev. Prentice, pastor of Shiloh Baptist Church preached a splendid sermon at the revival Thursday night. Miss Dorothy Thomas who has been ill is able to be out. Mrs. Sadie Lawrence who underwent an operation at Mercy Hospital is at home again. The colored people are putting forth every effort to get the necessary 4,000 signers to the petition for the \$70,000 bond election to erect a Colored school. Dr. A. L. Hawkins has had his office and living rooms put into fine shape and added the very latest appliances in electric batteries for the convenience of his patients. Miss Ethel Howard has received her certificate from the Red Cross Nursing agency. Miss Mary Allison has been ill for the past two weeks. Miss Thelma Hill added much to the success of the revival by her effective playing of spiritual songs.

MARYVILLE, MISSOURI.
 The Senior Stewardess Board gave a social at the A. M. E. Church Thursday evening which was well attended. Mr. Johnson of St. Joseph was the guest of Miss Josie Mosely. Mrs. Graves and son, spent Friday in Maryville visiting friends. Mrs. Mosely gave a social at her residence which was well attended. Mrs. Young, wife of Rev. Young, is ill at her home. Mrs. Euel Montgomery and daughter, Jeane went home after visiting her parents. Mrs. Blanche Smith spent the weekend at Gallatin, Mo. Mr. Oliver H. Vance, a well known former resident of this city died in Lincoln, Neb. Mr. Vance was a Mason and one of Maryville's best citizens when here. We extend to his family our sympathy. The foot social at the A. M. E. Church, given by the Junior Board and Red Side was quite a success. Please pay your subscriptions. Don't enjoy a good paper and then not pay for it. Call 571 for all news. Mr. Eugene Schoonen was a week-end visitor in the city.

ODESSA, MISSOURI.

Services were well attended Sunday. In the morning Rev. Cave preached a glorious sermon using for a theme, "The Glory and Power of a Woman." Sunday School was well attended at the A. M. E. Church and the captains are working hard to receive the reward which was offered for the one having the greater number of new scholars. The A. M. E. Literary is also doing splendid work under the untiring President, Mrs. Maggie Smith and the subjects discussed were very uplifting to all. Mr. Robert Washington is somewhat improved after a serious illness. Brother Hawkins, one of the oldest members of the A. M. E. Church, was badly injured last week. Rev. Denny is looking forward to a Grand Thanksgiving.

KINGSTON, MO.
 Rev. Dr. Kerkendall, former pastor in Arkansas is now the pastor at Kingston and Excelsior Springs having arrived here the 15th. He preached a very able sermon which filled the whole house with the spirit of Jesus Christ. Rev. Kerkendall was an old acquaintance of many of the residents here all of whom met him with a glad hand. He left Tuesday for Excelsior Springs.

THE Y. M. C. A. HUGH O. COOK OF KANSAS CITY CITED FOR BRAVERY.
 New York, Nov. 25.—The record of the Colored men and women who were sent overseas by the Young Men's Christian Association, who served as secretaries during the world war is dotted with brilliant bits of patriotic, Christian achievement, courage, and self-sacrifice. Like the colored soldiers, they went forth to do battle against the enemy until the last armed foe laid down his weapon of warfare.

The total number sent was eighty-four, sixty-one men and twenty-three women. Of this number two died on active service overseas and two died in this country. Frederick D. Ballou, of Richmond, Ky., and the Rev. R. A. Fritchett, of Philadelphia, who served with the forces in Africa were drowned at Durban-Salman in East Africa. The two men who died in the home service were the Rev. H. E. Levi, of Talladega, Ala., who died at Camp Wheeler and Hiram H. Wheeler, of Urbana, Ill., who died while on furlough. The Y. M. C. A. and the Colored race have many times recorded their pride and satisfaction for the loyalty and efficient work done by the Colored secretaries.

Those cited for bravery were Edward Terrell Banks, of Dayton, Ohio, Hugh Oliver Cook, of Kansas City, Mo., and M. W. Bullock, former Dartmouth football star. Mr. Banks won his citation for bravery while serving the 31st Infantry of the 98th Division. This Division received word that scout had been wounded and was lying helpless between the lines. Banks immediately set out to rescue the wounded man but in the attempt was caught by a terrific barrage and could not get back. With a determination to save his man Secretary Banks stayed with him through the night and brought him back the next morning when the firing was less severe and carried him to safety. For this he was recommended for a citation by Captain Smith, commanding Company K, of the 98th Infantry.

For gallant conduct in the Champagne offensive of September 26th to October 6th, Hugh Oliver Cook, of Kansas City, attached to the 371st Infantry was thus recommended by Col. P. L. Miles, commanding the regiment, "for heroic conduct in volunteering to aid in administering to the wounded on September 26th, near Hill 188. He worked tirelessly until he himself was gassed." M. W. Bullock, was cited by Col. Hayward, of the old 15th New York Regiment for gallant service with that regiment throughout its service.

PROTEST LYNCHING OF NEGRO IN MISSOURI.
 The National Association for the Advancement of Colored people today telegraphed Governor Gardner of Missouri urging that members of a mob which lynched a Negro accused of robbery be brought to justice. The telegram is as follows: Hon. Frederick D. Gardner, Gov. Jefferson City, Missouri. Press reports describe the lynching at Moberly, Missouri, on Sunday, November 16th, of one and the contemplated lynching and burning of three other Negroes alleged to have beaten and robbed a farmer of twelve dollars.

The National Association for the Advancement of Colored people, speaking on behalf of its three hundred branches and eighty-five thousand members of both races, in the name of law and order and that better feeling between the races which results from justice impartially administered, appeals to you for energetic efforts on part of Missouri local and state authorities to vindicate the law by bringing mob murderers to trial.

All upholders of law and order would welcome a statement from you with respect to the Moberly lynching and your advocacy. If approved of the Curtis and Dyer resolutions for federal investigation of race riots and lynchings.

For several months Mr. H. A. Laden the tailor at 1605 E. 18th Street has been systematically robbed of the goods and merchandise of his customers until he was almost in despair. The most careful watching availed nothing in detecting the culprit until last Friday Mr. Laden was asked by one of his former employees to press a coat for him and in doing so he found a pawn ticket in the pockets which aroused his suspicion. He held the ticket and immediately went down to the place where the

shop was located and found that called for one of the identical pair of trousers that had been stolen from his shop. He immediately had the culprit, one Frank Echols, arrested and found a number of other pawn tickets ceiling for other clothing that had been stolen from his shop and a forged check was also found for \$35. on Mr. T. J. Mitchell, the automobile man. Mr. Laden was able to recover most of the property that was stolen and has hired a special attorney to assist in the prosecution of this criminal and hopes to have him put away for a period that will prevent him from indulging in his thieving habits for some years to come.
