The Sun acknowledges the receipt of an elegantly bound little volume of 115 pages containing the sixth biennial report of Sir S. W. Green the Chancellor of the Knights of Pythias of the five Grand Divisions. It is gotten up in the usual care, accuracy and finish characteristic of Sir Green and reflects great credit not only upon his official force but upon the great fraternity over which he so ably presides.

RIGHT WILL WIN.

The Sun is not egotistic nor "all swayed up" over the results of the recent election but it does believe it has a right to call attention to the steadfast, loyal and consistent fight it waged for the Republican Party and incidentally the citizenship rights of the men and women of our racial group in America.

While other Negro Journals wavered and faltered and in some instances accepted paid political announcements from the Democratic Party the Sun forged ahead hewing straight to the line and refusing to say anything but an unswerving Republican victory for last Tuesday, which predictions has been fully verified. While we may be called old fashioned and non-progressive, yet we want justice and fair play for the Negro and we believe it can best be secured through the Republican Party.

The Sun has had many calls both from within and without the city commending us on the fight we made for Republican principles and we take this means of thanking all those who have called or written us and pledge them than The Sun and its entire staff will always be found fighting the battles of the race and pushing to the front always our young men and women who are trying to make a mark in the race of life. Again we say, thank you, and always remember that eventually RIGHT WILL WIN.

What bids fair to be the greatest session in the history of the Colored Teachers' Association will convene in Kansas City November 11-13 under the presidency of Prof. C. G. Williams of Booneville. Such important questions as better pay for teachers, better teachers, better school buildings, better equipments, part time classes, the new constitution for the State, County unit system and a State University for Negroes will command the minds and the attention of the organization. Under the certificate plan, the railroad will grant a one and one-third fare.

New York Breaks All Records.

New York.—With the possible exception of the contest for the governorship, which still is in doubt, Republicans apparently have made a clean sweep in New York state.

Returns from 5,586 districts out of 7,308 give Harding 1,498,934, Cox 648,445. If this ratio is maintained, Senator Harding will carry the state by the unprecedented plurality of 1,250,000 over Governor Cox.

The largest popular vote previously received by a presidential candidate in the state was 578,070, which Mr. Taft polled in 1908. The previous record plurality was made in 1896 when McKinley led Bryan by 268,325.

Governor Smith was leading Nathan H. Miller, Republican gubernatorial nominee, by 6,257 votes when returns from nearly two-thirds of the state had been tabulated. The vote in 4,713 districts was: Smith, 900,965; Miller, 894,708. If these ratios are maintained, Miller will come into New York City with a majority of 384,000 over Smith, while Smith will carry the metropolitan area by 327,960 over Miller.

Senator James W. Wadsworth, Jr., who was bitterly opposed by organized women suffragists and "dry" leaders because of his votes against suffrage and against prohibition, was leading his Democratic opponent, Gen. Gov. Harry C. Walker by 323,991 votes. Returns from 3,514 districts out of 7,308 in the state gave Walker 302,580, Wadsworth 525,571.

Senator Harding apparently carried every county update and every city for which the vote had been tabulated at midnight, except Oswego, which gave Cox a plurality of 319.

Dutchess County, in which Hyde Park, the home town of Franklin D. Roosevelt, Democratic vice-presidential nominee, is located, gave Harding and Coolidge a plurality of 8,195, or more than two to one, with sixty-two districts still missing.

Chicago.—The West is clinching the Republican victory in terms as decisive as expressed in the huge avalanche of votes in the East. There will be no upsets this time in California or Washington or Idaho. In fact, practically every state from the Missouri to the Pacific is piling up big majorities for the Republicans and will return an increased number of senators and congressmen to help President-elect Harding in meeting the problems before the nation.

East's Verdict Being Confirmed. Four years ago this time the eyes of the nation were on California, awaiting the definite word that would confirm or deny the re-election of Wilson. This morning, however, the returns coming in merely confirm the verdict of the East against the League of Nations and the Wilson administration.

THEY SAY

—That friends are like weeds—the first frost kills them.

—That the Democratic Negroes are starting to the tall timber. Well, they'd better hurry.

—That an old Colored lady was heard to say: "Well, I see jes as thru bathin' as I can be till spring, case it's gettin' too cold to have much contact with water excep' I drink it."

Johnson Floral Company is now at your service at 19th and Paseo. Bell Phone Grand 3081. Our service is strictly high class. Special prices on all funeral designs.

—That a recent entertainment given for "charity" was pronounced a "howling success." The net proceeds was \$4.04. Perhaps it was howling for company.

—That the heroic and loyal service rendered by our women clothing day stiffened the backbone of hundreds of weak, vacillating Negro men and impelled them to do their full duty by the Republican ticket. Hurrah for our women!

—That the following poem is dedicated to the dunes who are wondering where their living is coming from:

If the skies look dull to you. Get to work; If the atmosphere is blue, Get to work; Fostering your discontent Will not pay the landlord's rent. Will not gain for you a cent— Get to work.

Brooding doesn't help your cause. Get to work; Nothing gained by picking flaws. Get to work;

Weak are trampled by the strong? You a victim of man's wrong? Stand the storm, it won't be long— Get to work.

If success shall come you must Get to work! There's no other way but just Get to work. It may yield not wealth nor fame; Much or little, just the same, If you perish you'll die game— Get to work
