

THREE NEGROES KILLED

FIFTH EPISCOPAL DISTRICT CELEBRATES BISHOP PARKS' 43RD MINISTERIAL ANNIVERSARY

WALTHAL MOORE OF SAINT LOUIS, MO. THE FIRST NEGRO EVER ELECTED TO MISSOURI LEGISLATURE

Negro Troopers To Be Free?

(By the Associated Negro Press.)
Leavenworth, Kansas, Nov. 12.—T. W. Bell, the attorney for the imprisoned Negro soldiers in the Federal penitentiary, is working very hard on the case and confidently expects to win. While he has not disclosed his latest plans, he declares that he is confident he will be able to procure the freedom of the accused men. The case will be argued here within a short time.

BROOKLYN, ILL., GIVES HARDING 641, COX 1.

Brooklyn, Ill., returned to normalcy Tuesday, by giving Harding a vote of 642 to 1 for Cox.
Brooklyn is a Negro village just north of East St. Louis, and in former times 600 to 1 was the normal percentage in favor of the Republicans. In the last two elections, however, President Wilson had received almost a dozen votes.
The return to normalcy was marred, in the opinion of the majority, by the fact that Christensen got three votes, and Debs 2. This is the only place yet reported where the Farmer-Labor ticket received three times, and the Socialist twice as many as the Democratic.

HON. A. E. MALONE.

Chairman Republican Negro State Auxiliary and member of State Executive Committee. Prof. Malone waged a wonderful campaign among our group and he and Mrs. Malone gave \$1500 to the campaign fund. The race needs more leaders like Aaron E. Malone.

WAGES OF SIN; DEATH.

W. H. "Ace" Stinson, negro gambler, was shot to death by another Negro in front of a saloon at Sixth and McGee streets last Monday afternoon. The police arrested Lee A. Brasier, Negro, with who Stinson had been quarreling.

Philadelphia, Pa.—J. C. Asbury and Andrew Stevens, colored men, were elected to the Pennsylvania Legislature from this city representing sixth and seventh districts, respectively, with a majority of 5,500 votes. Dr. Henry Piper was elected to the Delaware Legislature, being the first colored man to be thus honored.

WITH 29 KIDS MAW HAS RUN OUT OF NAMES.

Ashtown, Ark.—Virginia Neal, a Negro woman living at Ashtown, is the mother of twenty-nine children. She is now only 50 years old. She was divorced from her husband three years ago.

The woman has given birth to one set of quadruplets, one of triplets and several of twins—she has forgotten the number of the latter, she says. After exhausting her vocabulary for names for the children, Virginia "dubbed" the last one "Little Neal" to distinguish him from his elder brother, "Big Neal."
The woman recently mortgaged her little plot of ground on which her two-room home stands and bought a second-hand automobile. She says she will spend the declining years of her life, or until the mortgage is due, "motoring about."

A REAL LEADER.

One of the most liberal contributors to the Republican campaign fund among our people was Dr. Theodore Smith, the pioneer druggist at 18th and Tracy avenue. Dr. Smith always stands for his race and right.

A PEACEMAKER WAS SHOT.

Walter Carter, Negro, Tried to Stop a Women's Quarrel.

Walter Carter, colored, 31 years old, 2202 Highland avenue, was shot through the left breast near the heart Sunday morning when he attempted to interfere in an argument between two Negro women at Twenty-second and Vine streets. Carter was taken to the old City Hospital. His condition is said to be dangerous.
According to the police, Arthur Ward, 1627 Cottage avenue, did the shooting when he saw that Carter was attempting to pacify the arguing women. Ward and Lizzie Hughes, 1627 Cottage avenue, were taken to No. 6 police station, where they are being held for investigation. The other woman, who was a participant in the argument, Ophelia Vivians, 1611 East Twenty-second street, was released.

FORECAST FOR KANSAS CITY AND VICINITY.

RECEPTION TENDERED BISHOP PARKS.

The elaborate reception tendered Bishop H. Blanton Parks at Allen Chapel last Tuesday evening, November 10 was a success in every detail. About five hundred persons were present, more than one hundred of whom were from out of the City. Many prominent ministers of the fifth Episcopal district were in evidence. Mr. W. C. Henson was Master of Ceremonies and addresses were delivered by Bishop Wm. T. Vernon, Rev. J. F. Sage of Lexington, Mo., Rev. Brooks of Columbia, Mo.; Rev. R. L. Pope of Denver, Colo. A purse of \$1500 was given to the bishop by the Fifth Episcopal District and a check for \$100 by the Southwest Missouri Conference as well as a substantial gift by Mrs. Aaron E. Malone of Poro College, St. Louis, Mo. Music was furnished by the Western University Orchestra and solos were rendered by Mrs. Cozetta Seals and the Jackson Jubilee Chorus. About two hundred sat at the banquet table, many having had to be turned away on account of purchasing their tickets too late.

DARE TO DO YOUR DUTY.

"Let us have faith that right makes might, and in that faith let us to the end dare to do our duty as we understand it."
—Abraham Lincoln.

PREJUDICE

"Any Prejudice whatever will be insurmountable if those who do not share in it themselves buckle to it and flatter it and accept it as a law of nature."
—John Stuart Mill.

MILTON L. HINES.

known as one of the Old Guard in politics, active in all campaigns for the last twenty years, was selected as the Chairman of Speakers and Halls for the election of 1920. He has been a consistent Republican and never could be induced to vote or work for any other than the party with which he is identified. In and out of season you always find him espousing the cause of the Republican party.
He was Street Foreman under one Republican administration in the Street Cleaning Department, and also was foreman in the Street Repair Department from 1916 to 1918; he has been continuously a precinct captain and ward lieutenant for twenty years in Kansas City. There has never been a doubt in the Republican party in any election as to how he stood. He spent a great deal of his time assisting the Eighth Ward, in which he lives. With the management of the campaign in such hands as his, and the splendid working force with which he had the fortthought to surround himself, success was inevitable. The Democratic slogan is: "What Are They Going To Give You?" Such

questions will be answered by M. L. Hines through the columns of The Kansas City Sun each week.

"Negro Domination" Dead

(By the Associated Negro Press.)
Chicago, Nov. 12.—"Negro Domination" and "Social equality" received a death blow as political issues in the recent general election.
The Race issue was in fact in all of the states in the North where numbers have been increased by the recent migration. The plan of operation was well and cunningly thought out, and thousands of dollars were expended in the efforts to prove its worth, by pushing the propaganda.

THREE NEGROES KILLED.

Three Colored men have met violent death in this City during the week: Benjamin Patton who was held up by foot pads and fatally shot last Monday night, died at the City Hospital Tuesday.
W. H. "Ace" Stinson was shot and instantly killed in a quarrel over a gambling game on East Sixth street; and Walter Carter who undertook to stop a quarrel between two Colored women at 22nd and Vine streets last Sunday morning was shot and killed by another Colored man alleged to be Arthur Ward. Truly Kansas City needs cleaning up and the first essential is to disarm every crook, thug and "bad man" in Kansas City or send them to the penitentiary.

DR. CROSSLAND IN CITY.

Dr. J. R. A. Crossland of St. Joseph, Mo., former minister to Liberia and one of the foremost orators of the race was in the city on business this week.
