EDITORIALS.

Remember the Fourth of March. LOST! 100% Americanism! Skins differ in color but all blood is red. Chickens have got nothing on troubles coming home to roost. Going up is the hard job. Anybody can roll down a hill. Hate is the only thing in the world that deserves to be hated. If you have to choose between party and principle, choose principle. You are as large as you are, never as big as you think you are. The man who loves Woodrow Wilson for the enemies the President has made surely is some lover. Most of us will have a mighty slim chance to get into Heaven if God is as just as they claim He is.

DR. CARTER G. WOODSON. The address, "The Negro is History" delivered by Dr. Carter G. Woodson of West Virginia Institute on Thursday evening of the Teachers Association was one of the most scholarly and brilliant efforts ever attended by a Kansas City audience. Fortunately many of the citizens had availed themselves of the opportunity to be present and the big crowd was held spellbound for nearly two hours while the great Negro scholar reviewed the annals of our race from 1619 up to the Civil War. The visit of Dr. Woodson was made possible through the efforts of The Kansas City Council of Negro Teachers who entertained the association and that one feature was more than commensurate with all the labor and expense of the biggest meeting in the history of the organization. An April day on the screen—a bit of cloud and a lot of sunshine—Humoresque.

LOCAL TALENT MADE A BIG HIT.

The program of the Teachers Association would have been very dull and insipid without the enlivening musical and special features supplied by our local schools and organizations. Aesthetic dances by groups of trained pupils of the W. W. Yates school and the Douglass school deserve special mention and were received with enthusiasm. The choruses by pupils from the Attucks and the Garrison were excellent and the little Wheatley put up a fine exhibition of physical training under the guidance of Principal Lelia Elmore. The singing of Miss Jessie Wallace, the musical work of Lincoln High students, the Ladies Quartette, The Opera Quartette and the famous Jackson Jubilee Singers each carried audiences by storm and demonstrated that Kansas City musical ideals are second to none in this country. The enrollment in the meeting was the largest in its history, being nearly four hundred of which about one third were local school people. The 1921 session will be held in St. Louis. Prof. A. C. Macklin of Hannibal is the new president and H. O. Cook of this city was chosen secretary.

THEY SAY

—That promises may make friends but it takes performances to keep them. —That the woman who wears tight shoes must necessarily have a narrow "soie." —That money is like some people, the tighter it gets, the louder it talks. It sure do. —That it looks like a cold bleak winter for some of the silk shirt boys of this ole town. —That two seven cent cigars a day will in thirty years cost \$4,269 compounded annually at 6 per cent. —That the great question which confronts the people today is not what you were nor what you're going to be but what you am. —That if the men folks are to be killed at the rate of two or three per day about other men's wives, we believe it wouldn't be a bad idea to kind-a steer clear of forbidden territory. —That a Methodist sister and a Baptist sister got into a big argument about which denomination each thought would have the larger representation in heaven. They finally decided to call in a third party to decide which he thought was right. The old Colored brother whom they called in said: "Wall I doesn't think eder one will have snuff to pay you to count dem but if I was you ladies I'd figure on which one of dese 'dominations' would have most members in 'n—'." The ladies in the controversy got heated and both strutted off. He was ugly wasn't he? —Call Fairfax 380 or Fairfax 4422.

WENDELL PHILLIPS SCHOOL IN THANKSGIVING PROGRAM.

The Seventh Grade of the Wendell Phillips School will present the beautiful opera entitled "Bobby Brewster's Rooster" in the auditorium of Lincoln High School, Tuesday night, November 23, 1920. This is a timely, unique and very interesting Thanksgiving opera, full of real live history, and portrays something of the trials and triumphs of the early settlers whose spirit of gratitude we breathe today. The opera is the project of our graduating class and will be, in every way, up to the standard. Our entire graduating class will take part. The public is invited to join us in this hour of Thanksgiving festivity. Admission—Adults, 15 cents. Children, 10 cents. Respectfully yours, HENLEY L. COX, Principal.

A song of life—without words—a silent song that throbs with the melody of life—Humoresque.
