

ALL AROUND NOTES.

If England turns her back upon free trade where can our mugwumps look for consolation?

The bogus medical diploma gang is now working the European field. Germans are said to have purchased them largely.

For watches, clocks, jewelry, silverware etc., go to George Porth, the leading jewelry house in Central Missouri. Lowest prices, considering quality of goods, which are warranted as represented.

Cleveland may lose some of his Southern support when it becomes fully known that he does not understand the game of poker.

That story about Jerry Simpson having declined to run for congress again carried its refutation upon its face. Jerry is making about \$4,700 a year more than he ever made before, and he will never willingly give it up.

BLACK-DRAUGHT tea cures Constipation.

Mrs. L. R. Patton, Rockford, Ill., writes: "From personal experience I can recommend De Witt's Sarsaparilla, a cure for impure blood and general debility." A. BRANDENBERGER.

It is strictly true that "no investment returns larger dividends than civility," and it is equally true, more's the pity, that the ranks of the investors therein are not overcrowded.

Try **BLACK-DRAUGHT** tea for Dyspepsia.

The record of the democratic party in the Fifty-second congress is enough, without going back further, to justify the election of a republican president and a republican majority in the House of Representatives.

Bright people are the quickest to recognize a good thing and buy it. We sell lots of bright people the Little Early Risers. If you are not bright these pills will make you so. A. BRANDENBERGER.

WINE OF CARDUI, a Tonic for Women.

The editors who now assert that Cleveland has a dead cinch on the nomination are the same fellows who elected Mills Speaker of the House. See?

The report that the U. S. Geological Survey escapes Mr. Cut-it-down Holman's attacks by carrying a son of Holman upon its pay-rolls is entirely probable, and strictly true, as to the latter part.

"Late to bed and early to rise will shorten the road to your home in the skies." But early to bed and a "Little Early Riser," the pill that makes life longer and better and wiser. A. BRANDENBERGER.

McLEER'S WINE OF CARDUI for Weak Nerves.

Judging from the May snowstorms and semi-blizzards, the weather seems to have caught the epidemic of uncertainty which is so prevalent in political circles this year.

Lord Salisbury's protection speech has had a very demoralizing effect upon the American free traders, who hardly seem to know whether they are standing on their feet or their heads.

We truly believe De Witt's Little Early Risers to be the most natural most effective, most prompt and economical pill for biliousness, indigestion and inactive liver. A. BRANDENBERGER.

McLEER'S WINE OF CARDUI for Female Diseases.
