Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Deaths.

Dr. J. A. Bryant died at his home just south of Carbon Centre, last Sunday morning, at the age of 73 years, and has resided in this section of the state for more than 30 years. He had been ailing for some time and died of heart disease. He leaves a wife and a number of children, all grown. As we knew Dr. Bryant he was a man of positive character, with a kindly genial nature, good education and well informed upon all subjects. He was buried in the beautiful Balltown cemetery Monday.

Mrs. Grant Stine, sister-in-law to Mrs. Chas. T. VanBenthusem, died Monday morning at the latter's home in this city. Mrs. Stine had been ailing for some time from a general debility and yet her death was unexpected. Deceased lived near Reyard. Her funeral took place Tuesday at Prairie City where she was buried. She left two children, a boy and a girl.

Samuel Stalcup, a brother to Chas. Stalcup of Panama, who was killed in a railway wreck some two weeks or more ago, was brought here for burial Tuesday afternoon. The funeral was preached at the Christian Church by Rev. R. K. Coffey and the body was buried in Green Lawn cemetery.

The Missouri Dairy Meeting

The 12th annual convention of the Missouri State Dairy Association, which will be held at Palmyra, Mo., November 7-9, promises to be a very important occasion, and will be very largely attended by dairymen from all parts of Missouri and from other states. The railroads have made a 1-3 open rate for the round trip from all points in Missouri to Palmyra, and the Dudley Hotel will make a special rate to all attending the convention.

Cash premiums amounting to \$200, three gold medals and a silver cup will be awarded on butter and cheese shown; also premiums for papers on feeding, exhibits of silage, etc., will be offered. There will be an amazing array of premiums offered for local competition, including a \$25 Jersey haifer. There will be large exhibits of dairy machinery.

A strong program of papers and addresses has been prepared, and the eminent speakers selected to address the convention will cover the dairy field in an interesting and instructive manner.

For program giving full particulars as to premiums, rules, etc., address, LEVI CHURBUCK, Sec. Chemical Bldg., St. Louis, Mo.

Buckridge—Thompson.

A few evenings ago, Mr. Bert Buckridge, one of the popular clerks in the popular store of W. H. Fisher & Co., of this city, quietly took himself out of the city toward Booneville, the olden metropolis of the state and there took unto himself a wife in the person of Miss Caroline Thompson. The matrimonial ceremony took place at the residence of the bride's parents, Saturday afternoon, October 25, and was witnessed by only relatives and a few friends. The officiating clergyman was Rev. E. B. Surfus, of Sedalia, and the ring service was used.

The newly wedded couple arrived in Rich Hill and are domiciled at the home of the groom's parents, Mr. and Mrs. R. E. Buckridge, where they are at home to their friends. May happiness and married bliss be theirs.

W. C. T. U. Convention.

The seventh annual convention of the twenty-second district of Missouri W. C. T. U., met in the Christian church, Adrian, Mo., Oct. 16, 17 and 18, 1901. Mrs. Callie H. Howe was present during the entire convention.

Convention proper opened on Thursday morning, showing a number of enthusiastic delegates present. Notwithstanding a revival service was in progress in town and the ever attractive merry-go-round, Mrs. Howe spoke to a crowded house Wednesday and Thursday nights. Friday night a gold medal contest was held, which was an entire success from the speakers who so nobly acquitted themselves to the Adrian choir who rendered lovely music, and last but not least, the white ribbon orchestra of Lamar. The medal was awarded Miss May Harper of Adrian.

This convention was said by many to have been the best ever held in the twenty-second district. The temperance work is fast advancing. The cry of hard times is not felt by this organization as our financial condition is much better, and our spiritual condition was also benefited. We felt that God was with us during the entire convention, and especially did we realize His divine presence when we listened to the earnest prayers of these loyal white ribboners, and to the encouraging words from the representatives of the churches.

The Adrian people deserve much credit for the manner in which the convention was entertained. The city officials, the business men, the public schools and the churches all show their hearty co-operation. We thank them all for the inspiration gained by their encouraging words. From

DR. PRICE'S Cream Baking Powder

Each time the United States Government has officially tested the baking powders the report has shown Dr. Price's Cream Baking Powder to be of superlative leavening strength, free from alum, absolutely pure and wholesome.

This is gratifying, for Dr. Price's Cream Baking Powder is depended upon by millions of people to raise their daily bread.

PRICE BAKING POWDER CO.,
CHICAGO.

NOTE.—These Government inquiries also developed the fact that there are many mixtures upon the market made in imitation of baking powder, but containing alum or other caustic acid, whose use in food is dangerous.
