**THE FRANKLIN CHURN**  
**And Lightning Butter Extractor a Boon to the Housewife.**

Messrs. E. A. Williams and J. W. Etter of Versailles, are the authorized agents for Franklin's Butter Extractor, Acerator and Churn, three machines combined in one, which makes butter-making a pleasure for the housewife. This churn produces a perfect granulated creamery butter in from one to ten minutes, and churns sweet cream as thoroughly and quickly as it does cream that stands until soured. Following are testimonials of ladies in this vicinity who are now using the Franklin Churn:

Mrs. R. E. Doran: I am now using your Franklin Churn and it is certainly one of the best butter extractors I ever saw, and the churning which formerly gave me much trouble now consumes only a few minutes and the results are satisfactory in every way.  
 Mrs. Oscar Scott: The Churn does all that you claim for it. No woman who has churning to do should be without this splendid machine.  
 Mrs. W. P. Price: I have one of your Franklin Churns and find it excellent in every particular. It churns quickly and the butter is fine. I would not be without it, and can recommend it.  
 Williams & Etter are selling these Churns at reasonable prices, and as they are giving general satisfaction to the purchasers and saving the women an hour's hard work each day in butter making, it will only be a matter of a short time until the demand will overreach the supply.

**Hill's Business College Notes.**  
 SEDALIA, MO.

Miss Zada Matheny has a good position with the Spott's Advertising Agency at Kansas City, and says she is doing well.  
 Miss Clara Lutman accepted a position with the Dow Drug Co. at Sedalia.  
 Miss Jonnie Rector stopped at Sedalia on her way to accept her position as stenographer with the Secretary of the State Board of Agriculture. This is one of the most difficult positions in the State, as it requires an expert, one who is able to report conventions. Miss Rector has had several years' experience in this line of work and she will be sure to give satisfaction. This position pays \$50 per month with the prospects of promotion, and we do not see why more young ladies do not fit themselves for taking positions of this kind.

We want more young men to fit themselves for holding good positions. Last week the only available young man we had was offered a choice of positions paying \$50, \$60 and \$65 per month. We had to let two very desirable positions go by last week, because we had no one to fill them.

**HE CALLED FOR THE BOTTLE.**

Child Bros., of Pendleton, Mo., say: "One of our men while unloading ties got his foot terribly crushed. We at once sent for the doctor, who was four or five distant. As he was suffering great pain, we sent him a bottle of Dr. Classe's German Penetrating Liniment, which we kept in our store. Before it was used, the doctor came, examined and dressed the wound and had the foot suspended so that ice water could drop on it. He left, saying that if he was careful and followed his instructions he would be able to work within ten or twelve days. After a few hours the patient got tired of the position in which he was lying, and called for the bottle of Dr. Classe's German Penetrating Liniment and applied it as directed. This was on Saturday, and the following Tuesday the man was able to work." Sold by Muntzel Drug Co.

**You Must Sleep.**

If you cannot, it is due to an irritated or congested state of the brain, which will soon develop into nervous prostration. Nature demands sleep, and it is as important as food; it is a part of her building and sustaining process. This period of unconsciousness relaxes the mental and physical strain, and allows nature to restore exhausted vitality.  
 Dr. Miles' Nerveine brings refreshing sleep, because it soothes the irritation and removes the congestion.  
 It is also a nerve builder; it nourishes and strengthens every nerve in your body, and creates energy in all the organs. Nothing will give strength and vitality as surely and quickly as Dr. Miles' Nerveine.  
 "During the past winter I had two attacks of LaGrippe which left me very weak, and in bad condition. I was no longer able to sleep. My wife, after trying different remedies, went for a doctor. The doctor sent out, and a neighbor recommended Dr. Miles' Nerveine, and she brought home a bottle. I had not slept for some time, and had terrible pains in my head. After taking a few doses of Nerveine the pain was not so severe, and I slept. I am now taking the second bottle, and am certainly improved."  
**HENRY M. SAUTER, Underhill, Vt.**  
 Dr. Miles' Nerveine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.
