Middle Division Express leaves Harrisburg at 11:30 P. M. and arrives at Pottsville at 11:55 A. M. ...

Brief Items.

Court called at 1 o'clock, P. M., yesterday, with all the judges present.

The ladies of Millerstown gave Rev. J. W. Buckley, of Newport, a very successful surprise party one morning last week.

Mr. John Harper, Jr., of Duncannon while eating on Sunday a week was unfortunate enough to dislocate his jaw. It was adjusted by Dr. Johnson.

Mr. L. C. Clemson, of Newport, received considerable injury from a fall off the tank of his engine a few days ago. The accident happened near Altoona.

The new iron fence recently put up adjoining the residence of F. Mortimer, was cast at the Foundry in this borough. It is a very pretty pattern, very heavy and substantial, and a credit to the makers.

The frequency of fires in barns while threshing would seem to show the necessity of having buckets of water ready for immediate use. Such precaution would have saved two barns this month.

We were last week shown by Mr. Jno. Moore some strange Indian relics. They consisted of arrow heads in various sizes varying from the size of a three cent piece up to a silver quarter, all neatly cut from stone.

The News reports the death of Mr. Steinberger at Landsburg. If he should fill him up with fighting whiskey again, he would find him a very lively corpse, and one that would keep a couple of men busy to hold down.

The Duncannon Record says: On Monday the abutment, next to the railroad, of the bridge across the Juniata creek, on Main street, tumbled down leaving one corner of the bridge without support. The bridge is impassable for vehicles at present.

On Wednesday, the 17th inst., while Professor H. O. Baum was hunting on Mahantango mountain he saw unmistakable signs and tracks of a bear, he hunted the brute for some time when suddenly his faithful dog Rover came upon his bearship, the dog after a growl or two beat a hasty retreat and the professor discovering the retreat of Rover hastily descended the mountain to a place of more safety.

A young man named Eichelberger, whose parents reside in Manada alley, west Harrisburg, died suddenly, under very peculiar circumstances, on Saturday night a week. A post mortem examination was desired and was performed by Drs. J. D. Bowman, Bickel and Hay. Upon opening the skull they found that death was caused from an abscess of the brain—over half a pint of blood and offensive matter having been removed from the brain.

Another Terrible Warning.—Another sad case resulting in the death of Mr. Levi Swartz, of Centre twp., occurred on Monday of last week. On the afternoon of that day, Mr. Swartz took his gun and a basket and went to the woods; when returning he saw some grapes on a small tree in John Fisher's lot and climbed the tree for the purpose of picking the grapes. While he was so doing Esquire Croll who was hunting, got a glimpse of something moving among the vines on the tree, and supposing it a turkey, fired, the lead entering Mr. Swartz's breast and legs. He was helped to his home, near Mansville, and Dr. Ard was sent for. He was however beyond surgical aid, one of the shot having entered the stomach, and after lingering till Tuesday morning death relieved him from further suffering. This should be a warning to hunters, and show them the importance of knowing what they see before shooting it. Mr. S. leaves a widow and 7 children.

Two years previously, while gunning Mr. Croll had seen a similar movement on the same tree, and by trying to see better what he was shooting, he at that time lost a fine turkey. The remembrance of that circumstance caused him this time to shoot without waiting to see what it was that caused the shaking among the vines.

For a day or two Mr. Croll was so shocked by the occurrence that he was nearly insane.

Church Notices.

Presbyterian preaching next Sunday at 11 A. M., and 7 P. M. Prayer meeting every Wednesday evening at 7 o'clock.

Spring Township Items.

ELLIOTTSBURG, October, 22nd, 1877.

The Excelsior Literary Society of Germany purpose organizing in a few weeks.

The singing school at Elliottsburg, was obliged to close permanently on account of disorderly conduct.

Mr. Jacob Dum is now erecting a wagon-maker shop at Elliottsburg; and Mr. John Smith has put up the most attractive sign at his store, in this place.

The Germany coal company contemplate commencing operations in their mine, before long. The work in the mines has been suspended for about six months.

All the schools of Spring twp., have commenced to-day to continue the session five months. Considerable dissatisfaction is expressed, because of the introduction of a new series of books, into the schools of this township.

The bell which had been so long talked of, has finally been placed on the Lutheran church here. It seems strange, that within fifteen years three churches have been built in our village, but not one had a bell placed upon them at their completion.

I was informed that Joseph Wran, formerly of Carroll twp., this county has enlisted in the Russian army. If this be the case, Perry county has representatives in both the Turkish and Russian armies, in as much as we learn that Dr. Leineweaver from Millerstown has accepted a position as surgeon from the Turks.

Juniata County.—We copy the following from the Juniata county papers of last week.

The Rev. J. H. Stewart, pastor of the Presbyterian church at Port Royal, this county has received a unanimous call from the Presbyterian church at Greencastle, Franklin county.

At about half past twelve o'clock on Friday night last, a large and elegantly finished stable, together with hog pen, wood shed and other out-buildings attached, belonging to Samuel Buck, in Port Royal, was destroyed by fire. The fire originated in the wood shed and was the work of an incendiary. By the use of wet blankets and wet carpets the dwelling house was saved from destruction.

Cumberland County.—We copy the following from the Cumberland county papers of last week:

Mr. M. M. Foote had a slight fire to occur in his house on York street, Mechanicsburg, in the early part of last week, by the upsetting of a coal oil lamp. The floor and carpet were somewhat burned, but the flames were subdued before any serious damage resulted.

On Thursday afternoon of last week, the large bank barn on the farm of Mr. Matthew Thompson, near Green Spring this county, was burned, together with 1,200 bushels of oats, 400 bushels of wheat, 50 tons of hay, separator and a large lot of farming implements. The fire originated from the separator which was in operation at the time. Mr. Isaac Stover resides on the farm. The barn was insured in the Allen & East Pennsylvania company.

The Mechanicsburg Ledger says: On Saturday night a horse and buggy belonging to Mr. George Eyster, of Camp Hill, was taken from in front of the National Hotel, in this place, where it was hatched, and driven off, by two young men named Ness and Fetrow, the former of this place, and the latter of Roxbury, on the Trindle road leading to Carlisle. The team was taken at about eleven o'clock, and driven over to the pike, and up towards Carlisle as far as Middlesex, where the buggy broke down and the fellows were compelled to abandon it. They turned the horse into a field, and then separated—Fetrow going home, and Ness starting for Perry co. Yesterday morning Fetrow came to town, and delivered himself to the proper authorities, while Ness is still absent.

The improvements are a good two story dwelling house with kitchen attached, Barn, Blacksmith-shop and other outbuildings. There is also a good limestone quarry, a large orchard of choice fruit trees on the premises, and a never-failing spring of water near the door. This property will be sold cheap, and on reasonable terms. For further particulars, address JACOB FRITZ, Carlisle, Cumberland Co., Pa., or apply at this office.

The readers of "THE TIMES" will please observe that this column has been hired by the Greenback and Workingmen's Party, for Campaign purposes, and the Chairman of the County Committee is responsible for its contents.

The Greenback and Workingmen's State Ticket.

For Supreme Judge, HON. B. S. BENTLEY, of Lycoming County. For Auditor General, HON. JAMES E. EMBERTON. For State Treasurer, HON. JAMES L. WRIGHT, of Philadelphia.

County Ticket.

For Associate Judge, HARRISON M'CRACKEN, of Buffalo Township. For Sheriff, GEORGE W. WETZEL, of Penn Township. For Director of the Poor, DAVID MORRISON, Jr., of Tyrone Township. For County Surveyor, Wm. BROWN, of Duncannon. Chairman of State Central Committee, F. P. DEWEES, Pottsville, Pa. Chairman of County Committee, Wm. H. WILLIS, Duncannon.

David Morrison, Jr., of Tyrone township, has been nominated for Director of the Poor, vice Dr. Louis Ellerman declined. Mr. Morrison is a farmer and a gentleman in all respects qualified for the position, and we bespeak for him a large vote in his own community.

Let every working man and producer in Perry county realize that this is a contest between the producer and non-producer, let every laboring man realize that this is his final opportunity, and stand up with his comrades, and vote the full ticket. The question of vital importance is not whether we shall carry the County or the State, but to poll as large a vote as possible, the effect of which will be felt by the other parties. Already the result in Ohio and other States has stimulated Congressmen to introduce bills looking to the repeal of the resumption act, the re-monetization of silver and the abolition of the National banking system.

There are many large organizations of Greenbackers, in all parts of Pennsylvania and in some sections the vote for our ticket will be almost unanimous, thousands of men will quietly vote it, and in connection with the fact there are four parties in the field, that ours is the best organized, the most enthusiastic and progressive, and in fact the only party with real live issues, our chances for carrying the State ought to be the best, and our prospects are very flattering.

Why stand ye idle? When the man who was once a useful and contented laborer is down, flat, helpless and in actual distress, why in God's name will you not help to lift the load that the man may live? For fifteen years this idle, bloated, untaxed, unlawful load has held his seat, sported his diamonds, swilled his wine and lorded it over American labor. From \$6,000,000 a year interest in 1860 to more than \$100,000,000 a year now, does this great broad-bottomed sponge absorb the profit of labor. This illegitimate bond-holder. This venal, corrupt and corrupting boaster sucks the life blood from industry.

He robs the farmer. He wears the blood of the laborer as velvet to adorn his body. He converts the tears of wives of workingmen into diamonds that flash on the bosoms of the mistress of his sons. He turns his ear from the cries of America's over-taxed citizens, and listens to the roar of the waves that roar between this land where he is a thief and a trespasser and his own.

Farmers, mechanics, laborers and business men, you have seen your farms, your homes, your furniture and your stock of goods, which have cost you the labor and frugality of years to accumulate, pass from your hands under the sheriff's hammer. You have seen the non-producer stand by and profiting by your misfortune add your efforts to his accumulating wealth, in many instances throwing you and your family penniless upon the world. Have you ever stopped to think what ticket he will vote? Can you in justice to yourself and families cast your ballot for a class who can only make you poorer still? Whose harvest is your poverty? Don't you know they all vote the Democratic or Republican ticket? Can you, will you do the same?

Westmoreland county has twenty Greenback clubs. First blood for the Greenback-Labor party—the Twenty-seventh Ward special election resulted in the choice of our candidate for Select Council, Martin Fagan, by fourteen majority. Whoop la! Open up the throttle.—Labor Tribune.

The Greenbackers of Paterson, Juniata county, Pa., organized a club with John Kelley, President; Wm. Egall, Secretary; and D. A. Notestine, Treasurer. Much enthusiasm prevailed, and thirty-two signers "declared themselves willing to strike for their rights." So says the Twice-a-Week.

Not two weeks remain till election an election of the utmost importance to nine-tenths of our people. The question at issue is: "Shall the interests of the non-producing, or of the producing classes be subserved by our legislators and executives, both state and national?"

The question puzzling hard fisted farmers, mechanics and laboring men is why greenbacks are good enough for them, but not good enough for the bond holder.
