Men's and Boys' Clothing!

"If You Want to know What Smartly Dressed Men Will Wear This Season, Ask to See Stein-Bloch Smart Clothes."

We are specialists in Men's and Boys' Apparel. It is our duty to sell everything that they wear from Hats to Hosiery, and seldom indeed it is that we are obliged to say, "We are just out" or "We haven't your size today." We do more than this, however; we not only carry a complete stock, but we carry a stock of the best that the world's markets afford.

As a most striking example of this we mention **Men's Suits**. We will show you several makes at several prices and all of them good, but we are particularly proud to be able to claim the agency for the products of that famous wholesale tailoring concern of Rochester, the **Stein-Bloch Company**, whose Smart Suits and Spring Overcoats are known from the Atlantic to the Pacific, from the Canadian border to the Gulf of Mexico, as being the highest type of clothing, whether made-to-measure or ready-to-wear; yet the prices are no higher than for any other first-class ready-to-wear clothing and about half what the same qualities would cost made-to-measure. **\$15.00 to \$25.00** buys the Stein-Bloch Smart Suits and Spring Overcoats.

Letter to Dr. C. W. Steele, Barre, Vt.

Dear Sir: You can put \$100 in your pocket if you can put us in the wrong.

Devco Lead and Zinc is all paint. It takes fewer gallons to paint a house than with mixed paints. It wears longer than lead and oil-mixed paints, too. The state chemists of Maine, New Hampshire, Vermont, Massachusetts, New York and Pennsylvania have analyzed it and say it is pure.

If you can prove that any of these things aren't so, we've a hundred dollars waiting for you.

If these things are true, what paint will you use the next time you paint your house? What will you say to the people that ask you?—for doctors get asked queer questions.

If you know of an honest young painter who isn't getting the grip on life that he ought to have, give him this hint: Devco lead and zinc—that'll do it. If he does his work as well as the paint does it.

Yours truly, F. W. Devco & Co., New York.

P. S.—Reynolds & Son sell our paint.
