REAL SENSIBLE IDEA.

Druggist L. R. Rickert Says Mi-o-na's Plan is the Only Fair One.

Rickert & Wells, the popular druggists, have been in the drug business long enough to have their own opinion of the best way of selling medicines.

They say the plan adopted by Mi-o-na, the great dyspepsia cure, is the fairest they have ever heard of.

They don't believe that a medicine ought to be paid for unless it does the user some good.

And Mi-o-na is sold under a positive guarantee to cure dyspepsia or refund the money. You simply leave 50 cents on deposit with the Red Cross Pharmacy and if after you have used the box of Mi-o-na you decide that it has done you no good all you have to do is to tell them so and they will return your money.

Thousands of people have been cured of dyspepsia by using this remarkable remedy. It is not simply a food digester; it is a medicine that puts all of the digestive organs into normal condition and gives ruddy, glowing, vigorous health. A change for the better will be seen from the first few doses of Mi-o-na, and its continued use will soon give the power to eat anything at any time and not suffer distress afterward.

Mi-o-na is the only dyspepsia remedy upon the market that is sold under a positive guarantee to refund the money if it does not cure. This is the strongest proof that can be offered as to the merit of the medicine.

Notice.

All persons owing money to Segel & Brady, the Blue Store clothing, will please call at the new Union Clothing store and settle same, when receipt will be given. Segel & Brady.
