It has been suggested, and the idea is a good one, that the Montpelier Military band be secured to give a series of band concerts in Barre summer evenings this season. The Montpelier band has many Barre players in it and Barre is more or less directly interested in it. It is an excellent band and a number of open air concerts would prove a great attraction. To see if the public shares in the belief of the Times, we invite subscriptions for such a series of concerts, and all who are interested are requested to send in their names and the amount they are ready to give for the purpose.
