HALL FURNITURE.

EVERYTHING NEW.

The hall is the first room in the house you enter. Furnish it well, as it is an index to the rest of the rooms. And then the front door is often left open these warm days and your neighbor might peep in unexpectedly. A new Hall Seat or Tree with a nice Mirror, an Umbrella Rack and a good Rug or two will send that neighbor across the way to tell the other neighbor about that beautifully furnished hall. Come in and let us show you some of the very latest styles.
