"IT'S SO EASY TO MURMUR"
"I'll do it tomorrow"—it's so near, yet so far away; but postponement is often prophetic of sorrow—then why not do it today? Tomorrow is misty, its vague and uncertain, tho' the present is mirthful and gay; no human eye pierces the morrow's black curtain—so take hold and do it today! The future is made of our coming tomorrows—have faith in it, therefore, I say; but if you would make it secure against sorrows—then insure your whole limit today." (George W. Hatch in Insurance Age.) 34th year doing business in 35 states.

A Seasonable Suggestion

Soda Water

Is always "in season." Whether taken hot or cold it is a wholesome beverage provided the flavoring syrups are all right. Cold Soda drawn from our good fountain looks nothing that could be desired by the most sensitive palate. We use only pure juices made direct from fresh fruits and can give varied flavors. Our "Cold Soda" is always cold.
