Days lengthen into weeks and Pope Leo's wonderful vitality still defies the ravages of disease. The august patient has completely mystified his physicians.

These St. Albans people who oppose the city's new curfew ordinance, might appropriately celebrate this day, the anniversary of the birth of Rose Hawthorn Thorpe, who wrote "Curfew Must Not Ring Tonight."

So small a thing as the recent foot and mouth epidemic among New England cattle cost the government a quarter of a million dollars before it could be stamped out. Few will doubt the wisdom of the government's prompt action, however, in stamping out the epidemic before it attained alarming proportions.

It is gratifying to note the high and also broad position which the very large majority of the press of the state takes on the subject of lynching and mob law. Almost every newspaper in Vermont takes a strong and decided stand on one of the most vital questions now before the American people. It is perhaps unnecessary to state that those things are condemned.

One of the "hardships" imposed by a license law has been exemplified recently in Franklin Falls, N. H., and it has not been entirely unknown in several cities of this state. That is a saloon-keepers "blacklist." Seventeen citizens of Franklin Falls have raised a howl of protest because they are debarred from buying liquor at the licensed places and one of the number has threatened to bring suit against the city marshal for criminal libel. The seventeen people who have been honored by having their names placed on the blacklist are debarred from buying liquor and are debarred because the keepers who sell to them would be liable to a heavy fine. Hence the prohibition to the 17 Franklin Falls citizens. It appears to be a hardship rightly placed.

It is reported that if the United States protests against the Kishinev outrages, Russia will forward a protest against negro lynchings in America. People who live in glass houses shouldn't throw stones.—Randolph Herald and News.  
 Correct you are. The United States would be quite likely to have its window glass well perforated if the formal and official protest is presented. Informal protests by newspapers and private citizens have been sent to the Bear, and they seem to have had a good effect. But were we as a nation to enter our disapproval of the Jewish massacre there might be a chance for retaliation on the part of the Bear and an admonitory word to go mind our own business and prevent the increasing number of lynchings.

**Solitary Passenger Recovered.**  
 St. John's, N. E., July 17.—A big tug which has returned from the wrecked steamer Monterey, near St. Pierre, brought the captain of the steamer, Lloyd's agent and the only passenger who was aboard. The tug reports the ship in a critical condition. Her head is full of water, and it is unlikely that she can be refloated. The cattle are being landed, and there is hope also of saving part of the cargo. The wrecking tug Petrel is bound for the scene from Port au Basques.

**Twelve Killed in Explosion.**  
 Portland, Ore., July 17.—A special from Vancouver, B. C., says twelve people were killed in a coal mine explosion at Comox.

**K&E Boys Waists and Blouses**

**\$1.00**

**Cheaper Goods Are no Economy There are no better made**

**When Buying for Your Boy**

Don't let him hear you ask for cheap waists. He may have no knowledge of price, but his quick intuition tells him that you do not set a high value on his appearance. It not only makes him sensitive, but you cannot expect him to feel the price in his appearance that you want him to have.  
 You can't buy a waist or blouse for less than a dollar that will give anywhere near the wear of the K. & E. \$1.00 kind. You can pay more, of course, for the fancy materials, but you can't get any better workmanship or style if you paid a times the price. You should have a copy of the valuable K. & E. booklet on "A Boy's Dress and His Character." Ask us for one.

**Special For Saturday.**

**Boys \$1.00 Shirt Waists and Blouses for only 69 cents each.**

These are the celebrated K. & E. garments, and it is only to introduce them that we make this price, and it is only for SATURDAY, JULY 18th, 1903, that the price will be 69 cents.

At Abells Corners the hay crop will be good if left to grow until the middle or last of the month. Oats are quite a good crop but the corn crop up to date looks like the last run of shad. The potato crop is coming fast.

James Howard, of Bellows Falls, while shooting at a target Thursday afternoon with a revolver, accidentally shot himself through the hand. He was returning the revolver to its sheath when the trigger catching, it was discharged, the bullet passing entirely through his hand.

Harold Fish is the champion fisherman of South Royalton this season. While in camp at North Royalton last week he caught six trout that weighed 8 lbs. and 12 oz., one weighing 2 lbs. 10 oz., one 1 lb. 13 oz., one 1 lb. 11 oz., one 1 lb. 6 oz., one 1 lb. 1 oz. and one 1 lb. and 12 oz. The Chelsea central office of the Orange County Telephone has just had a new line connected through Chelsea and Tisbury. This makes nine lines that enter here. This last addition has been extended by Ed. L. Larkin, who, in spite of delays at first from the non-arrival of wire and supplies, has pushed the work rapidly, having strung over 10 miles of wire, all in working order, in 50 hours.

Officers from Canada went to Jericho Center Tuesday evening, and arrested James Sturtevant and the woman living with him, who was supposed to be his wife, for eloping from Canada. It appears that Mr. Sturtevant had a wife and four children in Canada, and ran away with his hired girl. Arriving in town last spring, they rented the Kinney house and he went to work for M. V. Willard, and had been working for him since.

Willie Middlebrook was severely bitten by W. A. Burroughs' shepherd dog last Thursday evening, while riding his wheel past the school house in the Middlebrook district, a short distance from the city of Vergennes. The animal rushed out, and without any provocation or warning, sunk its teeth into the calf of the boy's leg. Dr. Pilon was hurriedly called and cleansed and dressed the wound thoroughly, cauterizing it to make sure of no poisonous effects from the bite. The dog was killed the next morning and the lad is doing well.

**Alleged Boy Burglars.**

Binghamton, N. Y., July 17.—Five boys, ranging in age from fourteen to eighteen years and officers of the George Junior Republic at Freelyville, have been arrested at Owego on the charge of burglary made by Jason Burchard, a farmer. Two other boys of the institution escaped a few days ago, and the five boys arrested were sent out to find them. They boarded a freight train and rode to Newark Valley and then walked until evening when they broke into the farmhouse to get something to eat. The farmer says the boys stole the deed to his property, but the boys claim to know nothing about the deed.

**ATTACK ON REBELS DEFERRED.**

Castro Listens to Appeal of United States Consul.

Soledad, Venezuela, July 17.—The situation is unchanged. The attack on Ciudad Bolivar by the Venezuelan government troops, which appeared imminent, has been deferred at the request of United States Consul Henderson, Herr Broekman, the German consul, and the bishop, who transmitted to President Castro, through General Gomez, the commander in chief of the government forces, a long telegram asking him to be magnanimous and to show mercy to all if the revolutionists surrender. It is known that the president answered as follows:  
 "Yes, every one except the traitor Ferrera, the author of so many tears and the cause of making so many orphans."  
 President Castro has ordered General Gomez not to open fire if he is not attacked, but to simply besiege the city. The revolutionists, having no provisions, cannot resist more than ten days.

**EPWORTH LEAGUE CONVENTION.**

Fifteen Thousand Delegates at Opening Session.  
 Detroit, Mich., July 17.—Every incoming train through the night brought its quota to swell the hosts of Epworth leaguers, and hundreds more arrived on morning trains, both regular and special, until when the sixth international convention opened there were, it is estimated, 15,000 of the leaguers in the city.  
 The convention was opened with three great meetings, one in Tent On tario, at the corner of Fourth and Lafayette avenues; one in the Detroit Opera House, and one in the Central Methodist Episcopal church. Each meeting followed identically the same programme—addresses of welcome, responses and a keynote address. The large chorus which was organized among the local singers to furnish the music for the convention was divided and one-third of the membership sang in each auditorium under the leadership of Evangelists John Hillis, J. M. Black and Charles D. Tillman.
