Men's Hose.

Turn the Hose on Yourself—or, in other words, treat yourself to some of our Summer Hosiery. There's only one thing wrong with the men's fancy sock business—too many men get married. When they're single they buy \$1.00 socks; when they're married their wives buy them 25c socks, or less. Still we have elegant lines of Fancy Hosiery for this season. All men are not married and all wives don't want their husbands to wear cheap socks, so we have them at 10c, 15c, 25c or 50c. New styles—and—well, they're handsome.
