

SIX BALLOTS AND NO CHOICE

Interest in Election of Pope Increasing.

CROWDS WATCH SMOKE

But No Other Tidings Come From the College of Cardinals.

Rome, Aug. 3.—The cardinals in conclave to elect a successor to Pope Leo took their fifth ballot this morning with no result.

How the Cardinals Voted.

The voting papers used by their eminences are somewhat different from those of 1878, being a little longer and narrower, but the printed inscriptions are the same.

Each cardinal in turn, holding his ballot between his first finger and thumb so that every one present could see it, advanced slowly to the altar, where a large chalice was standing.

After the balloting was finished the chalice was covered, well shaken and the ballots were publicly counted.

Then, passing them into a receptacle placed on the table in the center of the chapel, the two cardinal scrutineers opened the first ballot and passed it to a third cardinal, who read it out in a loud voice.

As no cardinal received the prescribed two-thirds of the votes a supplementary ballot was taken, with no better result.

ROUNDING INTO SHAPE

Rangers Played Fast Foot Ball

DEFEATED PICKED TEAM

Score Was 5 to 1 After Two Well Played Halves—Will Get Big Team Here.

The Barre Rangers, the fastest association foot ball team in New England and one of the fastest in the country, is rounding into shape again, as those who saw their game against the "pick of the city" at the Trotting park Saturday afternoon will testify.

The Rangers won easily by a score of five to one, but they had to hustle as there were some good individual foot ball men playing against them.

Quite a good-sized crowd of enthusiasts saw the game and were well pleased with the showing. The Rangers today are better individual players than they were several years ago when they made the champion team of the country, the "True Blues" of New Jersey, hustle to win a very close game. It is now what might be called an "all-star" aggregation, and if the men get their team work down to a fine point of perfection it will be an extraordinary team that beats them.

Many familiar names are on the lineup, and then there are others who have recently come to Barre, who have reputations in Scotland. One and all showed up well Saturday, although team work was necessarily somewhat crude.

In the first half the Rangers shot through two pretty goals, and the half ended two to nothing in favor of the champions. Rust was responsible for one of the tallies, while Birnie put the other through from Kesig. The "pick-of-the-city" did not score until the second half when Marshall, by a well directed shot, sent the ball flying through the goal.

Marshall received the plaudits of the crowd for his good shot. But the Rangers more than made up for this in the same half by kicking three goals, the honors being Burnett's and Allen's, while Kesig came in for a share for making one of Burnett's possible.

The referee was James Bennett, and Finnie and Cowie acted as linesmen. Donald McPhee and William Scott acted as collectors of voluntary contributions, and they succeeded in raising in a considerable amount which will go towards the expenses of getting some strong team here.

The teams lined up as follows: Rangers. "Pick-of-the-City." Robertson goal Davidson Lambert back Will Forbes back Pirie Booth half Duff Birnie half Dennie Dawson half Thompson Rust center Gordon Kesig forward Marshall Burnett forward Douglass Allen forward Ross Ingram forward Robertson
