

The Designer for September!

10c Per Copy, 80c Per Year!

Lucy Snowe's mother is SO worried about Lucy's clothes for boarding school next Winter that she wants to make up a serviceable school-room suit and a pretty gown for "nice," and if she will step in and get the September number of The Designer she will find just what she is looking for.

The School Suit has a new blouse, to be trimmed in braid or stitching, and is the most satisfactory design yet made for girls from 13 to 17 years. The blouse design may also serve for separate shirt waists in flannel, mohair or silk.

The other costume is made with the very fashionable three-fourths collarless coat, and instructions for cutting and making are so complete that nobody who knows how to sew need hesitate to attempt this stylish gown.

Each Suit Pattern, including skirt and waist, costs but 15c. The Designer is only 10c per copy and we take subscriptions at 80c per year.
