RACING AUTOMOBILES.

Our People May See an Exciting Contest of Speed as it Took Place in Ireland.

The recent Gordon-Bennett automobile race in Ireland caused interest in all parts of the world. Moving picture scenes of this race were taken at various points, one of them showing the automobiles coming down a steep hill at lightning speed, another rounding a sharp curve at a high rate, still another at the finish. The pictures will be shown in the Lyman H. Howe exhibition to be given in Barre opera house on Friday night, Sept. 11.

Crowds of people may be seen lining the route of the race and these with the big machines going along with the speed of the fastest railroad engine form a most interesting scene.

ROBBERY IN FAIRFIELD.

A Hired Man Secured \$225 of a Farmer's Money and Skipped.

St. Albans, Sept. 1.—Patrick Falley, a well-to-do farmer of Fairfield, was robbed last Sunday of \$225 by one Fred Bryant, and a reward of \$25 has been offered by Sheriff Kelley for Bryant's apprehension.

Bryant is described as a young man of about 23 or 24, with a smooth and full face, light hair growing down over his forehead, weight about 160, height about five feet nine inches, stock build and ruddy complexion and when last seen wore a light checked suit, an outing shirt and a blue cap. He obtained work during haying from W. H. H. Greene of this place. He claimed he came here from Plattsburg, N. Y., and said that his home was in Derby Line, where his people lived.

During the absence of the family Bryant, whom it seems had suspected that there was considerable money in the house entered Mr. Falley's room among others, broke open a private drawer and took therefrom a roll of bills amounting to \$225 in denominations of fives, tens and one twenty dollar bill. Bryant skipped out at once leaving all his personal effects.

A general alarm has been sent throughout the state and the bordering New York and Canadian towns and every effort is being made to run down the robber.

MANAGER ARRESTED.

R. H. Robinson of Defunct Burlington Ball Team Taken on Body Writ.

Burlington, Sept. 1.—Today was set as the date of the trial of the case of R. H. Robinson vs. George D. Brodie over matters connected with the defunct Burlington base ball team of the Northern American League, but affairs took another turn. This suit, it will be remembered, was for the purpose of making Mr. Brodie show how he had disposed of certain of the base ball funds, amounting, it is said, to several hundred dollars.

This morning, Mr. Brodie, learning that Mr. Robinson was about to leave the state, got out a body writ against Mr. Robinson for \$300 and had him arrested.

The parties came into court this afternoon and a hearing was begun in relation to Mr. Robinson's financial condition. Just as the hearing was started, however, it was interrupted by a civil suit which had the right of way, so a continuance was taken until five o'clock. Mr. Robinson practically admitted on the stand that he had nothing.
