**Money Missing From Safes.**  
Taunton, Mass., Sept. 22.—An amount of money estimated to be about \$500 is missing from one of the safes at the central office of the Old Colony Street Railway company in this city. Whether taken by an expert burglar or by some person familiar with the combination of the safe has yet to be determined. The outer door of the safe was opened by working the combination, and the money drawer was pried out with a chisel. Nothing but the contents of this drawer, about \$500 in cash, was taken, and apparently no attempt was made to break into a larger safe in another part of the office.
