Had Indigestion and Constipation.

The Bottlers' Union, Chicago, Ill., August 21, 1903.

Mr. Obert, a delegate to Chicago Federation of Labor, says: "I suffered from indigestion and constipation for a number of years. I spent many sleepless nights and was mentally

depressed. I treated with several doctors but could not receive any relief. I was persuaded by a friend to try Paine's Celery Compound and I consider myself perfectly cured."

SALVATION LEADER'S DEATH

Mrs. Booth-Tucker Killed in Wreck on Santa Fe Road.

COL. HOLLAND BADLY HURT

Head of Colony at Amity, Colo., Among the Many Persons Injured. Train Ran Into Open Switch at Dean Lake, Mo.

Kansas City, Oct. 30.—Mrs. Emma Booth-Tucker, consul in America of the Salvation Army, wife of Commander Booth-Tucker and second daughter of William Booth, founder of the army, was killed in the wreck of the east-bound California train No. 2 near Dean Lake, Mo., eighty-five miles east of Kansas City. Colonel Thomas C. Holland, in charge of the Salvation Army at Amity, Colo., was fatally injured.

Other passengers seriously injured were: Mrs. A. E. Baden, Winfield, Kan.; E. S. Baden, her son, Winfield,

MRS. BOOTH-TUCKER.

Kan.; John H. Shoemaker, Denver; W. H. Murray, San Francisco; L. N. Kirk, New Castle, Ind., wife and two children; Lind Newby, Onarga, Ill.; Mrs. Newby, Onarga, Ill.; Anna Newby, Onarga, Ill.; Fred Miller, Philadelphia; Albert Miller, Philadelphia; Emma Herbert, Peoria, Ill.; Dining Car Conductor Burkhardt, address unknown; Mrs. Kelsey, address unknown.

Twenty others were slightly hurt. Those most severely wounded were taken to the company hospital at Fort Madison, Ia. The others were sent to Chicago.

Mrs. Kelsey was injured most seriously by a man falling with his feet square on her chest. In his efforts to extricate himself the man bruised her fearfully with the heels of his boots. On the train was a woman traveling from the west with the body of her dead sister. Although badly bruised and notwithstanding her grief, she assisted actively in caring for the injured.

Ran Into Open Switch.
The wrecked train ran into an open switch just outside of Dean Lake. Only the three last cars, two Pullmans and a diner, were wrecked. The Pullmans were completely demolished, while the diner was badly damaged. In the forward Pullman Mrs. Booth-Tucker and Colonel Holland, who were the sole occupants of that car, had just gone to the forward end for a consultation. Two of the Pullmans struck a steel water tank with such force as to move it five feet from its foundation, and when the crew reached the scene both Mrs. Booth-Tucker and Colonel Holland were found unconscious. They, with the other injured, were after much delay taken to the depot platform, a few blocks distant, where everything possible was done for them. Neither regained consciousness, and within half an hour the noted Salvation Army leader succumbed to her injuries. For a time it was believed that the unconscious man at her side was Commander Booth-Tucker, and in the confusion this report was spread.

Wrecking trains were sent from Marceline and other points, and the dead and injured were started for Fort

SIR THOMAS WITHDRAWS CUP

Defers to Kaiser's Wish to Patronize International Yachting.

A TRANSATLANTIC RACE.

Irish Baronet Promises to Aid German Emperor in Making Great Sailing Event of 1904 a Success.

London, Oct. 30.—Sir Thomas Lipton has definitely withdrawn his offer to present a cup for a transatlantic yacht race in 1904 and has made way for Emperor William, who will present a cup through the New York Yacht club or the Atlantic Yacht club.

This result was attained by the following interchange of telegrams:

From Sir Thomas Lipton to Emperor William Oct. 27:

"I hear from the Atlantic Yacht club that your majesty contemplates offering a cup for a transatlantic yacht race in 1904, but that some question has arisen on account of a similar offer by myself. In the best interests of the sport of which your majesty has always been an enthusiastic exponent I am only too willing to ask the consent of the Atlantic Yacht club to withdraw my offer for 1904 and most respectfully and heartily tender your majesty such support as lies within my power to make a transatlantic race for your cup in 1904 a thoroughly representative international event, which, under your imperial auspices, it could scarcely fail to be. Two transatlantic races the same year would hardly be satisfactory to the contestants nor provide an efficient test of the highest yachting skill, endurance and workmanship. I feel certain that these reasons, which prompt this offer of withdrawal, would appeal to the authorities of the Atlantic Yacht club and that they, jointly with the New York Yacht club officials, would gladly carry out such arrangements as your majesty might suggest and agree with me in desiring to do everything possible to show keen appreciation of the generous interest your majesty has repeatedly evinced in the advancement of yachting in all countries. Upon receiving your distinguished approval I will cable to New York a definite withdrawal of my offer for 1904."

The Kaiser's Reply.

From Emperor William to Sir Thomas Lipton:

"I am most grateful for your kind telegram. My offer was not made earlier as I was unable to find out whether you intended to build for 1904. Consequently I feared to disturb your plans in case you were preparing a new challenge for the America's cup. I was informed by my ambassador, who will offer my cup to the two clubs, that in the same time a similar offer had been made by you. I at once resolved to leave it to the officers of the Atlantic Yacht club and the New York Yacht club to decide which offer would be acceptable to them, as I fully agree with you that two transatlantic races in the same year would hardly provide satisfactory sport or results. Your resolve to withdraw your offer for my sake has deeply touched me, and I hasten to thank you for your generous intention and accept your proposal."

Got the Wrong Corpse.

Chicago, Oct. 30.—A dispatch to the Chronicle from Sioux City, Ia., says that somewhere in Iowa lies the corpse of William Rogers, but where his friends do not know. A funeral course listened to the rites over the body and afterward passed before the coffin. When Mrs. James Ferguson Rogers, the mother-in-law, saw the face of the dead she cried out, "Why, that is not Mr. Rogers!" The body in the coffin was sent from Independence at the same time that another was transported, and it is supposed the labels were accidentally exchanged.

The Santo Domingo Revolt.

Washington, Oct. 30.—The state department has received the following cablegram from United States Minister Powell, dated Santo Domingo: "Morelos, the governor of Puerto Plata, has pronounced against this government (government of Santo Domingo). Both naval vessels (government vessels), with troops, have been sent there. It is currently reported that Morelos is in insurrection. All quiet here. Deschamps, the vice president, is a prisoner. The insurrection is in favor of Jimenez."

Lewis and Clark Relics Found.

Baker City, Ore., Oct. 30.—Dr. H. E. Curry of this city reports the discovery in the Mount Rastus mining district of a tree bearing the inscription, "Lewis and Clark, 1804-05," and of a well constructed stone fort and the remains of a log hut. The inscription on the tree was cut in the late fall or winter months, when the sap was down, because the letters now appear as raised. It is known that one of the earliest overland trails passed near the scene of the discovery reported by Dr. Curry.

PUNY CHILDREN.

Parents Should Know How to Keep Children Well—Expert Advice by a Barre Druggist.

"We do not wish to blame any of our friends for that which they cannot help, but sometimes when we see delicate and puny children, we cannot help feeling that parents are neglectful," said Mr. Wells of the firm of Kieckert & Wells during a recent interview.

"If we could only make all fathers and mothers in Barre regard what we say, especially if their little ones are delicate, how glad they would be afterward. They can make their children strong and well. They can lay a foundation stone in their little lives that will give them joy and happiness in years to come and they will become strong and hearty men and women, if they will only believe what we say about Vinol and follow our advice."

Remember Vinol contains all the nutritive principles taken directly from fresh foods' livers without grease or oil, and its taste is delicious, and that is what gives it such power to assist the stomach of the little ones to properly assimilate the food which they eat. It is the means by which rich, red blood is made; strong bone structure is built; hard, firm, flesh tissue is created, and healthy, sound nerves maintained.

Mrs. Jeanne Perse, 100 Newman Street, Mansfield, O., says: "I wish to add a few words of praise for Vinol. My little boy was very much run down, so much so that he had to leave school. He really was a mere shadow. I decided to give him Vinol, and he rapidly gained flesh. I wish to recommend Vinol to every mother who has puny, ailing children."

Not only for children but for adults do we recommend Vinol as the greatest strength creator and builder of health, without reservation, and stand prepared to refund all money to those who do not find absolute satisfaction in its use. Kieckert & Wells, Druggists.

TIM MCCARTHY MISSING.

Walking Delegate Jointly Indicted With Parks Not in Court.

New York, Oct. 30.—Tim McCarthy, the walking delegate who is indicted jointly with Sam Parks on two indictments charging extortion, failed to appear before Judge Foster in the court of general sessions when the case against him was called.

As soon as it was ascertained that McCarthy was missing, Assistant District Attorney Rand asked that his bail be forfeited. Mr. Rand told the court that he had been informed by a friend of McCarthy's that the latter would be produced. He therefore asked that the order for the forfeiture of the bail be not entered. McCarthy is out on \$2,000 bail furnished by John J. Byrne, Devery's nephew.

MUNYON'S PAW PAW

Gives Exhilaration Without Intoxication.

An Absolute Cure

For Insomnia, Nervousness and All Stomach Troubles.

It Makes Old Folks Feel Young and Weak Folks Feel Strong.

I believe there is a cure for every disease—I believe that human life can be prolonged—I believe that people should die only from old age, and I also believe and know that my Paw Paw Remedy will not only relieve much suffering, but add many years to the average life.

In my opinion dyspepsia and indigestion are the cause of most ailments. Dyspepsia means nervousness, sleeplessness, impure blood, catarrh, sluggish liver, kidney and heart affections. No person can be happy—no person can see the beauties of life and enjoy its pleasures, who suffer from any form of stomach trouble.

I cannot recommend Paw Paw too highly for all forms of indigestion and nervousness. This remedy also acts wonderfully well on the liver, blood and kidneys, but I believe its greatest office is its marvelous effect upon the stomach and nerves. It is really a nerve food and vitalizer.—Munyon.

A. B. Perkins, a State House Employee at Augusta, Me., Writes August 31st:

"Four years past I have been subject to attacks of gastritis and swollen liver, being at times so bad as to be unable to get to work. Two weeks ago I secured a bottle of Paw Paw and of Paw Paw Pills during one of my attacks and found relief from the first dose. Before I had used the first bottle I was entirely cured. I can now eat all and anything I want without feeling distressed, and am no longer troubled with insomnia."

Cured of Indigestion and Heart Trouble.

I took a bottle of Paw Paw and I have had relief from indigestion. I cheerfully give this testimonial as I can truthfully state that Paw Paw is the most wonderful medicine I have ever taken for stomach trouble. I also suffered from palpitation of the heart and for the last three days have not had a symptom of my old trouble.

(Signed) James E. Travis,

188 Elm street.

S. B. Smith, Writes:

The sale of Prof. Munyon's Paw Paw has been remarkable. I never in all my pharmaceutical experience saw a medicine that the general public spoke so highly of as they do of Paw Paw. It is indeed an old saying that one can judge a valuable and good medicine by the demand. The sale has been so great in the last week as to warrant ordering Paw Paw three different times. Yours,

S. B. Smith, Pharmacist,
Cor. Main and Bates St.,
Lewiston, Maine.

My Paw Paw aids the stomach to digest hearty foods and to make good, rich blood, which again in turn strengthens the nerves, vitalizing all the tissues, and soon produces muscles, tissues, bone.
