## SIMPLE REMEDY FOR CATARRH

Just Breathe Hyomei Four Times a Day and Be Cured.

If a few years ago some one had said you can cure catarrh by breathing air charged with a healing balsam, the idea would have been ridiculed, and it remained for that eminent investigator, E. T. Booth, to discover in Hyomei this method of cure. Hyomei has performed almost miraculous cures of catarrh and is today recognized by leading members of the medical profession as the only advertised remedy that can be relied upon to do just what it claims. The complete outfit of Hyomei costs but \$1.00 and consists of an inhaler, a medicine dropper and a bottle of Hyomei. Breathe Hyomei through the inhaler for a few minutes four times a day and it will cure the worst case of catarrh. It soothes and breaks the mucous membrane of the air passages, prevents irritation, and effects a complete and lasting cure. In Barre there are scores of well-known people who say they have been cured of catarrh by Hyomei. If it does not cure you, Rickert & Wells will return the money you paid for Hyomei. This is the strongest evidence that can be offered as to their faith in the remedy.
