COMMUNICATION FROM RICKERT & WELLS, DRUGGISTS.

Offer to Refund Money if Hyomei Does Not Cure Catarrh.

To the Editor of the Times: We have been asked recently if the advertisements printed in your columns regarding Hyomei were true, where we offer to refund the money if this treatment does not cure catarrh and catarrhal deafness. We wish you would please print this letter in as conspicuous a place as possible in your paper, saying that we absolutely agree to refund the money to any purchaser of a Hyomei outfit if it does not cure catarrh.

This outfit consists of an inhaler of a convenient size to be carried in the vest pocket, so that the user can breathe Hyomei four or five times daily. With this is included a medicine dropper and a bottle of Hyomei. The outfit sells for \$1.00 and is a most economical treatment, for the inhaler lasts a lifetime and there is enough Hyomei for several weeks' use, while extra bottles can be obtained for 50c.

We trust this letter will settle any doubts that may have arisen as to our willingness to refund the money for a Hyomei outfit in case the purchaser is not perfectly satisfied.

We wish to say emphatically that our guarantee on Hyomei holds good, and we will refund the money to any dissatisfied purchaser who simply states that he has used the treatment according to directions and has not been helped.

Respectfully yours,
Rickert & Wells, Druggists.
