### A LASTING EFFECT.

This Evidence Should Prove Every Claim Made for Doan's Kidney Pills in Barre.

Relief from the pains and aches of a bad back is always welcome to every backache sufferer; but to cure a lame, weak or aching back is what's wanted. Cure it so it will stay cured. It can be done. Here's the strongest evidence to prove it. Geo. W. Brown, Carpenter of 29 Berlin Street, says: "When living at 22 Pearl Street in the winter of 1897, I procured Doan's Kidney Pills at E. A. Brown's drug store and after giving them a thorough trial I made the following statement through the Barre newspapers: 'Doan's Kidney Pills were worth their weight in gold to me.' That is my honest opinion. I add my reasons for thinking so. A few years ago I strained my back. It bothered me some at the time, but I paid little attention to it, thinking it would leave off of its own accord. It did not. It developed quite a serious kidney trouble. I tried various remedies but found nothing brought permanent benefit. In some manner my attention was called to Doan's Kidney Pills and I tried them. They did me a wonderful amount of good, and stopped a weakness of the kidneys and renal organs which was very annoying at night. Now to-day, in the month of May, 1903, I am pleased to continue my endorsement of Doan's Kidney Pills. I know of friends who have been benefited by their use. I have never relapsed into the condition that existed when Doan's Kidney Pills first came to my notice."
