The Daylight Store

Someone Whispered to Us

That if we went to New York Thursday of last week we could buy a lot of very desirable Ladies' Suits and Jackets at a liberal discount. We are obliged to the party for his interest in our behalf, as it was a pointer to secure a lot of the best values that ever came into our store. They are not a lot of old styles, but of the very latest. This season, so far, has been cold and backward all over the country. Manufacturers have more garments than they can deliver. They now need the money. Many of these Suits were in work last week. For style there are no better. They go in this sale at the prices named below.

Garment Department.

Let us advise you, as others advised us, to buy these garments and save a dollar.

Twenty-five Ladies' Tailored Suits in all colors, such as navies, browns, greys, blacks and mixtures, made in the latest broad-shouldered effect of such cloths as Cheviots, Etamines and Etamine Cheviots—Suits that sell in a regular way for \$15.00 and a part of them for \$18.00. Now for sale at \$12.50 each.

Fifteen Ladies' Tailored Suits in all colors and mixtures, same as above only made with more style, being trimmed with buttons and more braid—our regular \$20.00 and \$22.50 Suits. These Suits will be sold for \$17.50 each.

Garment Department.

Twenty Ladies' Tailored Suits. These are all high-grade Suits made by best tailors. Larger cities do not show any more advanced ideas. These Suits will be recognized as very swell and not of the ordinary styles. They are \$25.00 qualities. Will sell these at \$20.00 each.

There are a few Suits that come in this lot that were made in special order departments, carrying style that will be recognized as a little in advance of the season. These are \$30.00 and \$35.00 Suits. We will sell these at \$25.00 each.

Garment Department.
