Greene Copper

Advices have been persistently bullish on Greene Copper and the recent advance of \$5 per share or 10 per cent of its market value shows you what you have missed by not improving the opportunity pointed out in recent market letters.

If you have been tied up in the market during the past year and can obtain no suggestions from your broker how to get out without loss, will it not pay you to open another account and place a part of your orders where valuable opportunities for investment are pointed out?

Write or call for a copy of market letter and also an official report on Greene Consolidated Copper.

Advances made on collateral. Stocks and bonds carried upon partial payment. Private wire to New York and Chicago. 4 per cent and a 6 per cent interest allowed on deposits.

A Home Investment

TO BE SOLD AT ONCE.

COTTAGE HOUSE, located on Third Street, built about two years ago, containing six nice rooms besides bath. Is an especially well constructed house, being back plastered and having slate roof. Readily rents for \$13.00 per month to good tenants. Is in extra good repair. Price so low that, if looking for a place of this kind, you will buy it.

DOUBLE HOUSE, located on Main Street. Has been built only a few years and is also thoroughly well built. Is connected with sewer and has good granite cellar. All rooms on first floor are finished in natural wood. For an investment this is bound to be satisfactory, for we will sell so low that it will pay a large rate of interest. There are good reasons why this property is to be sold. No fault of the property.
