The Daylight Store

We Sell Garments For Ladies and Misses.

The cold weather considered, this has so far with us been a great season. Having everything new, our stock has shown up better than ever before and customers have not been blind to recognize all these new things as they have appeared from day to day.

Garment Department.

The trend of the suit demand is Etons and French Blouses to complete Dress Suit. We have many inquiries as to the best style for Dress Suits and to such we would say the above-mentioned Suits are the very best for a dressy garment. The Jacket Suit is more of an early and late business suit and is not designed for a dressy suit.

The Suit season has barely opened and we have sold more Suits thus far than in any other season. The reason is we have got the goods and, being in market often, we have the new things as soon as they come out.

Our Eton and Blouse Suits at \$15.00, \$18.00 and \$20.00 have been the most popular Suits of the season, coming in mixtures and plain colors as well as black. These Suits are very neat and dressy.

If you want a nice Suit for dress look at our Voiles and Etamines at \$18.00, \$20.00, \$25.00 and \$30.00. These are values it will be hard to duplicate, even at a more advanced price.

Garment Department.

\$3.98—There are more Walking Skirts sold at \$3.98 than any other price. It's a price that every dealer tries very hard to have the best value in. We have just received the following Skirts that go at this price: One lot of Scotch mixtures, made the new flare with new effect in strapping. Another lot of twenty-five that are made of good fine material in dark and light colors—a part in castors with a hair line of green. Another lot of all-wool Skirts in green and brown mixtures. These are good \$5.00 values. All in this lot for \$3.98 each.

\$5.00—Black Sicilian Skirts with plaited gores and four rows of plaiting on each side of panel front. These go into a fold trimmed with buttons. Are the best for the money ever offered by us. You will say so. Only \$5.00 each.

\$6.50—Brilliantine Skirts made seventeen gores of fine material. Every gore has a full flare plait at the bottom, making it very full and for style one of the best.

Ask to see our new ideas in a new-styled Crash Walking Skirt. From now on these will be our best sellers to swell trade. The prices are \$5.50 and \$5.75, according to amount of work on skirt.

Garment Department.
