Vinegar.

Vinegar should not be kept in a stone jar, as the acid may affect the glazing and the vinegar be rendered unwholesome. Glass jars are the best vinegar receptacles.

Finger Nail Growth.

According to the rate of growth agreed upon by eminent authorities, the average time taken for each finger nail to grow its full length is about four and a half months, and at this rate a man of seventy years of age would have renewed his nails 150 times.

BREATHE HEALING AIR.

Hyemel Destroys Germs of Catarrh and Cures the Disease—Money Back if It Fails.

No other treatment for catarrhal troubles is as pleasant and convenient to use as Hyemel. Simply put twenty drops of Hyemel in the inhaler that comes with every outfit, and then breathe it for a few minutes four times a day, and it will cure the worst case of catarrh. In this way one takes into the air passages of the head, throat and lungs air that is filled with balsamic healing and antiseptic fragrance. It goes to the most remote parts of the air passages, destroys all catarrhal germs and enriches and purifies the blood with additional ozone.

The first day's use of Hyemel will show a decided improvement, and in a short time there will be no further trouble with catarrh. Its good effects are quickly gained, and the benefit is permanent.

You take no risk in buying Hyemel. The complete outfit costs but one dollar, and if, after using you can say that it did not give satisfaction, Rickert & Wells will return your money. You have the promise of one of the most reliable drug firms in this section that Hyemel will cost you absolutely nothing if you can say "it did not help." You are to use it entirely at their risk, with the understanding that your money will be returned, without question or argument, if you are not satisfied with Hyemel.

SEEDS

Sanford and Longfellow Corn. We take especial pains to secure Seeds of all kinds entirely free from weed seeds and from last crop grown. Our Field Seeds never were more clean and bright. Have as complete a line as can be found in the county. Our Sanford Corn is the Early Flint variety, grown to order. The crop of Sanford and Longfellow Corn is short this season and we may not be able to fill orders as season advances. We have the well-known and reliable D. M. Ferry & Co's Garden Seeds, both bulk and in packets. Secure some before stock becomes broken. Prices always as low as varieties true to name can be furnished.
