Newspaper Talk.

Don't you grow weary of the extravagant Clothes-talk in the newspapers?

Isn't it refreshing to read the advertisement of a Clothing House that does not proclaim that some manufacturer is "busted?" Isn't it refreshing to have us simply announce that we sell you a splendid \$10.00 Suit for \$10.00? Isn't it refreshing that we do not shout that we are overstocked? Isn't it refreshing that we are not advertising \$25.00 Suits on sale at \$10.00? Isn't it refreshing to go to a store that is not always shouting "bargain sales?" We have many refreshing Suits here that are a pleasure to show and sell to you, and that will be a pleasure for you to wear.
