

RUSSIAN MINISTER ASSASSINATED AT WARSAW TODAY

M. Plehve, Was Driving To Take Train When a Bomb Was Thrown In Front Of His Carriage.

BODY WAS BLOWN INTO FRAGMENTS

His Coachmen Killed, Several Injured--Two Men Said To Have Thrown The Bomb, Immediately Arrested.

St. Petersburg, July 28.--M. Plehve, of the interior department, was assassinated at the Warsaw station this morning by the explosion of a bomb.

London, July 28.--Reports concerning the Plehve assassination differ. One says that as Plehve's carriage was passing a restaurant near the terminus of the Warsaw railroad a man suddenly rushed out and hurled a bomb at the carriage.

Another report says that two were arrested. This report says that Plehve was approaching the station in a carriage when a motor car drove up with two persons in it.

The minister and his coachman were so mutilated that the fragments of their bodies had to be collected in a net.

The assassination has caused an immense sensation everywhere. A third story is that the bombs were thrown, one from the motor car and the other from the restaurant.

Burlington Young People Had a Narrow Escape.

Burlington, July 28.--Clinging to an overturned canoe for nearly half an hour William J. Dodge and Miss Winifred Allen had an experience in Lake Champlain last night which they will remember for years and which they will not wish to repeat in a lifetime.

It is estimated by Mr. Dodge that they were in the water 25 minutes. Both the young people are loath to talk about the affair. They were rescued by P. J. DeLainfield and were nearly exhausted when taken from the water into a commodious row boat. Both of the young people showed rare presence of mind by clinging to the overturned canoe as they were a distance beyond the breakwater and had lost grasp of the canoe death would have been sure to follow as no boats were in their vicinity and it would have been an impossibility to have reached the shore.

The other boys put on their clothes and ran for help. Policeman Eugene Abbott, Harry Morton and Fred Fairbanks succeeded in taking the body from the water. The efforts of Dr. Angell to revive him were fruitless as the body had been in the water for nearly a half hour. Besides his mother he is survived by one brother, Elmer Tilson.

MOVING ON HAICHENG.

Japanese Follow Up Victory at Tsachikoa.

London, July 28.--The British government is sending instructions to Sir Charles Hardinge, the British ambassador to Russia, energetically to protest against the sinking of the British steamer Knight Commander by the Russian Vladivostok squadron.

Until the presentation of the note to the Russian government the greatest secrecy will be maintained regarding its contents, but it is known that Premier Balfour and his colleagues have decided to demand that the fullest reparation shall be made by Russia or measures will be taken to follow up the diplomatic demands.

The British note, as Sir Charles Hardinge will submit it, will not mention the amount of indemnity Russia must pay the owners of the ship and British subjects having goods on board the vessel, but all that will be sought will be the establishment of the principle of indemnity and apology. A salute of the British flag must also be conceded and the future protection of neutral shipping assured.

No Contraband on Vessel.

The attitude of the British government is the result of the thorough consideration given to the reports received from Sir Claude Macdonald, the British minister at Tokyo, and the examination of international law authorities by legal experts. The dispatches from Sir Claude Macdonald confirm the reports that the Knight Commander had no contraband of war on board for Japan. The government and all the British authorities, it is asserted, unite on the point that there was no justification for the sinking of the vessel.

TAIL-ENDERS TOOK GAME

Defeated Barre-Montpelier Yesterday.

GAME AT PLATTSBURGH

Score Was 4 to 2, With "Bob" Dresser Twirling for Visitors and Campbell for Plattsburgh.

Plattsburgh, N. Y., July 28.--With "Jack" Campbell, Burlington's pitcher in the box, Plattsburgh defeated Barre-Montpelier yesterday afternoon by the score of 4 to 2, and thereby recorded its third victory of the season. Campbell pitched a good game holding the heavy-hitting visitors safe with the exception of the fourth inning when they bunched four hits and scored two runs. Dresser was in the box for Barre-Montpelier and was touched up for eight hits, five of which came in the seventh when the home team got four runs. Dresser pitched a more steady game than Campbell, giving only two free passes to five by the latter.

Nash had two passed balls but made a pretty catch of a foul ball, while Davis made the star play for Plattsburgh, a one-handed catch.

In the absence of an umpire, Sheldon for Barre-Montpelier and McLean for Plattsburgh did the umpiring. All six of the runs of the games were earned and were made as follows: In the fourth Stewart made a double, followed by angles by Apperions, Dorman and McEnany, bringing two runs and the total for the visitors. Plattsburgh was blanked until the sixth when Plattsburgh landed on Dresser. Daley, Shulte and Campbell got singles, Skelly added a double and Kellogg brought in the last score of the game with a single. There were 600 people present.

WILL PROTEST GAME.

Campbell, Plattsburgh Pitcher Under Pay from Burlington.

The Barre-Montpelier management will protest the game with Plattsburgh yesterday afternoon. They allowed Campbell, the Burlington twirler, to pitch for Plattsburgh with the understanding that he had been released by Manager Whitney of the Burlington team.

Manager Daley of the local team tried to sign Campbell and was informed that Burlington had not released him.

If Campbell pitched for Plattsburgh while he was under pay from Burlington serious complications may result in the Northern league.

A meeting of the directors of the local association was held this forenoon, and it was decided there to protest the game. The directors say that they started in to play clean baseball and they intend to see clean baseball played in the league so long as they remain in it.

ALMOST SHUT OUT AGAIN.

Rutland Squeezed Out One Score With Burlington.

Burlington, July 28.--Burlington's snappy play was too much for the Duff bunch yesterday. Rutland narrowly escaping a shut out, Cristall pitched gilt edged ball while Coakley was batted out of the box in the seventh and Cariveau substituted.

Coakley's snappy was very poor especially the work of short stop Hafford. There were not many features but the play was quick and sharp, with the odds distinctly in favor of Burlington. Rutland scarcely had a look in until the ninth inning when one run was made, much to the joy of the visiting "fans" who thought their favorites were doomed to the same fate they experienced at Barre-Montpelier.

Brothers distinguished himself at center, having five chances and pulling down three which would certainly have been good hits. His fielding of McMahon's long drive in the third was great.

Score by innings: 1 2 3 4 5 6 7 8 9. Burlington 0 0 0 0 0 1 3 0 7. Rutland 0 0 0 0 0 0 0 1 1. Earned runs: Burlington 4. Two base hits, Cristall, Simon, Brown; sacrifice hits,

OFFERED BIG MONEY.

Manager Whitney of Burlington Wants "Rube" Vickers.

"Rube" Vickers has received a telegram from Owner Whitney of the Burlington, Vt., Independent team, which is far above anything what can be offered by any team around here which has a desire to be on a business basis and have both ends meet. The offer is \$150 a week for the remaining seven weeks of the season. Then he is to have a job in the woolen mill Mr. Whitney owns for the winter, to learn the business, and if he wishes to learn it to go on the road as a traveling man in the winter season. Next season he is to have \$2,000 for playing, and is to have the management of the team if he wishes. The offer is practically accepted, and he leaves for there within a day or so. He still will be on the reserve list of the Holyoke team, belonging to it if he ever wants to go in the league clubs again. Vickers feels strongly over the matter. He states that he would like to have had the matter fixed up, but as he sees no hopes will have to look out for himself.--Holyoke Transcript.

And to lose to Plattsburgh, too!

The tail-enders ought to revive considerably under the impetus given by yesterday's victory.

There will be something doing, and no mistake, at the Inter-city park this afternoon. Burlington is out to win and so is Barre-Montpelier.

The Burlington independent team sent an agent here the other day to sound George Nobit on the question of jumping; but George said nay.--Concord, N. H., Monitor.

NAMING OF "SPAULDING."

Correspondent Says Vote Was Taken in District Meeting.

Editor Times: Please allow me to correct statement made in city council respecting the naming of Spaulding graded school. If the party making it or any one interested will take the trouble to look up the records of old district No. 8 they will find that the name was voted at a meeting held to discuss the matter of building, and if I mistake not at the same one on which the vote to build was passed. The train will then run direct to Caledonia park, where a grand barbecue will be served, lasting until evening.

It is expected that all the granite manufacturing plants in the city will be closed down on Saturday. The Vinitia club has kindly tendered the use of its rooms in the Worthen block during the visit.

The Quincy men will return home Sunday.

THEIR ANNUAL PICNIC.

Plumbers Had Fine Time at Caledonia Park.

The plumbers held their annual picnic at Caledonia Park yesterday afternoon. The day was an ideal one for an outing and nearly 100 people were there to enjoy it. Gilbertson's orchestra furnished music at intervals during the afternoon for dancing, and the Barre Mandolin and Guitior club also.

The committee in charge of the affair were Robt. Inglis, chairman; John Johnson, O. B. Carpenter, W. E. Irish, Geo. Laviolette.

Various sports and games claimed the attention during the afternoon. The most exciting was the ball game between the plumbers and the clerks, the result of which was very doubtful until the last man was out, the score being 13 to 11 in favor of the plumbers. The line-ups were: Plumbers, Capt. Reynolds, Bellville, Lory, Gonzo, Inglis, Johnson, Baird, Laviolette and Ellis. Clerks, Capt. Inglis, Bondville, Halvosa, Carpenter, Harris, Richardson, Barrett, Wallace, A. Baird and Campbell.
