Tired and Overworked.

We know that the sale business is overworked, but we are going to pay it well for over time. As a rule, we do not believe in the so-called sales, but we have a reason for this one and here it is: At the close of the season we expect to occupy a new store in the Blanchard Block. We are bound to close out all our Summer Goods and we believe now is the time to do it, while you have use for them.

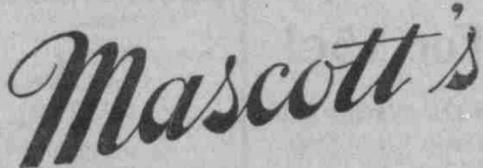

We will make a **twenty per cent discount** on all light-weight goods—Clothing for Men, Boys and Children. Children's Wash Suits, Men's Crash and Flannel Suits—just what you want for your vacation trip. Summer Underwear, Blouses and Shirt Waists. Straw Hats at your own price. A \$2.00 Hat for 25c. They must go at some price.

We have a few odd Suits in Youths' and Men's sizes to close at **half price**. Come and prove that this is a genuine mark-down sale on reliable goods—not goods bought for sale purposes, but the best on the market. No \$20.00 Suits for \$4.99, but a good clean, fresh \$10.00 Suit for \$8.00 and all other goods in proportion. Sale begins **Saturday, August 6th**, and closes Saturday night, August 28th.

As usual, Mr. John L. Miller had a proposition to suggest to the granite manufacturers at their joint meeting last week in Vermont, to better present conditions. It resulted, too, in the appointment of a committee to see what could be done. It is very evident that the Quincy granite manufacturers are not making what they should out of their business, especially if their men who receive \$5 per day are a good deal better off, as he asserts. If the push of Mr. Miller was more universal the granite business of Quincy would be better.—Quincy Ledger.
