NOT A PATENT MEDICINE.

Hyomel, the Guaranteed Catarrh Cure, Prescribed by Physicians.

No one should confound Hyomel with patent medicines that are advertised to cure catarrh. It is as far superior to them all as the diamond is more valuable than cheap glass. Their composition is secret, but Hyomel gives its formula to all reputable physicians.
Its base is the valuable eucalyptus oil, famous for its antiseptic qualities. This is combined with aromatic and healing gums and balsams, making a pure liquid which, when used in the Hyomel pocket inhaler, fills the air you breathe with germ-killing, disease-destroying and healing powers that restore health to every part of the throat, nose and lungs.
Is it not foolish to try and cure catarrh by swallowing tablets or liquids? The only natural way to cure this disease and all other diseases of the respiratory organs is to breathe Hyomel.
This treatment has been so successful, curing 99 per cent of all who have used it, that Hyomel is now sold by Rickert & Wells under an absolute guarantee to refund the money if it does not cure. You run no risk whatever in buying Hyomel. If it did not possess unusual powers to cure, it could not be sold upon this plan.
The complete Hyomel outfit costs \$1.00 and comprises a hard rubber inhaler, a bottle of Hyomel and a dropper. The inhaler will last a lifetime and additional bottles of Hyomel can be obtained for 50c.
