In the weekly golf tournament of the Barre Golf club yesterday afternoon, Leon B. Dodge made a play which has never been equalled on the course and probably never will be. He made the fourth hole, which is one of the longest on the course, in two strokes. The distance is 307 yards. The best score ever made before on the hole was four and the bogey is five. Of course luck entered into Mr. Dodge's play as not even Travis could possibly make the hole better than three by the best of playing.

Keith Hutcheon will make his first public appearance here and will prove that his reputation he brought from Scotland was gained by fast and clever work. A wrestling match, bag punching, and battle royale will also be on the programme in tomorrow night's athletic carnival which will prove the finest ever witnessed in Barre.

# To Interest the Boys

And to Increase Sales in Our Boys' Department We Make this Offer.

# "THE AMERICAN BOY" MAGAZINE.

Six Months' Subscription to this \$1.00 Magazine Given Free with All Purchases of \$5.00 or More in Our Boys' Clothing Department.

"All Boy" pretty nearly describes this unique departure of modern journalism. Editorially, the paper is all boy. It stands with boys and for boys, upholding manly sports and endeavor and cultivating in its readers true ideals of American manhood. And the grown-ups enjoy it, too. As one parent writes: "In my opinion, 'The American Boy' works a two-fold purpose—it makes a man out of a boy, and a boy again out of a full grown man."

It is Educational as Well as Interesting.

The good thing about "The American Boy" is that while it is interesting and holds the attention of the boys, it is not of the blood-and-thunder variety that offers its alluring poison to boys on every hand. It is a Magazine for boys who do things. It is especially helpful to boys who wish to be useful and happy. It gives the experience of boys in the school, church, home, factory, store, office and farm; it goes with boys into sports and games; it tells of boys as money-makers. It is interesting, inspiring, helpful. A chance to get it free should surely be taken advantage of, for

In Addition to Getting the Magazine Free, You Get the Best Clothing for the Money to Be Had in Barre.

The purchase of one \$5.00 Suit, or a \$4.00 Suit and a couple of extra Pants at 50c each, or any other purchase of Boys Clothing amounting to \$5.00, will put this splendid Magazine within the hands of your boy and you get full "value received" in Clothing, too.

Our Plan Is Simple.

Purchase \$5.00 worth of Boys' Clothing and receive a subscription card, properly filled out, which is to be presented each month in our Boys' Department. The card will be punched each month when the Magazine is delivered. Our fall line of School Suits are now ready for your inspection.
