#### "THE SURVIVAL OF THE FITTEST"

does not harmonize with "the good die young." The "fittest" do not outlive, unless we underrate the dead, and those alive would not have been better dead. Maxims are true only as philosophical reflections. Insurance is the individual distribution of an average. Not the highest, not the lowest, but an equal and proper amount to all. 55th year, doing business in 38 states.

The National Life Insurance Company of Vermont (Mutual) ORGANIZED in 1850. S. S. Ballard, General Agent, N. B. Ballard, Local Agent, Rooms 3 and 8, Miles Block, Barre, Vt.

600,000 Patrons Annually and the Why of It.

There is just as much character in moving pictures as in good personality. You cannot hide it. Its evidence of sterling worth sticks out in every programme offered by Lyman H. Howe, who will present his entirely new collection of scenes in Barre Opera House on Sept. 13. Mr. Howe, acting on the conviction that indifferently projected pictures with no set purpose are held in low esteem by the public, can always be relied on to present pictures that are forceful, purposeful and at the highest tension of perfection; and still Mr. Howe's pictures retain that indefinable charm and "something" that pervades the entire program, and holds his spectators spellbound from beginning to end.

Notice to All Union Men.

The Old Time Courtesy Revived. Along with the new fact of the woman's military salute comes a revival of the old fashioned courtesy. It has not been adopted generally to replace the slight inclination of the head or the more graceful bending of the body at the waist line, but in Newport this season many of the younger women have been seen to take the skirts between forefingers and thumbs and drop the old time courtesy with as much ease as their grandmothers ever showed. With the full skirts of this coming season the courtesy probably will be popular. At any rate it is a change, and that is all society wants.

Popular Lantern Design in Japan. A favorite design for lanterns used in the processions to celebrate the Japanese victories is one having on its four sides the rising sun, the union jack, the Italian flag and the stars and stripes.

### WORSE EVERY YEAR.

Plenty Of Barre Readers Have The Same Experience.

Don't neglect an aching back. It will get worse every year. Backache is really kidney ache. To cure the back you must cure the kidneys.

If you don't other kidney ills follow—Urinary troubles, diabetes, Bright's disease.

A Barre citizen tells you how the cure is easy. Norman York of 14 South Main Street, says: "When living at 3 Pearl Street in the Winter of 1897, a gentleman called upon me and asked my opinion of Doan's Kidney Pills and to allow him to have the same published in our Barre papers. I consented and told him for five or six years I had been annoyed with my kidneys, caused, I thought, by a strain. There was no doubt about the pain, but when there was added to it annoyance from the kidney secretion I was positive some disturbed action of the kidneys existed. If I stooped to lift it was with the greatest difficulty I could regain an erect position. Well, in spite of that, a continuation of the treatment of Doan's Kidney Pills, procured at E. A. Drown's drug store, stopped the attack. Since then I have never lost an opportunity of recommending the preparation to friends and acquaintances and I know of a great many who have taken a course of the treatment, obtaining positive benefits."

Sold by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
